English Language Bible Translators William E. Paul, 2015-07-11 More than 300 Bible or New Testament translations including the popular King James Version have been produced in English in the past 600 years These various translations both obscure and well known were undertaken by diligent individuals working either alone or in committees known to number more than 100 This reference work provides information about the men and women who produced English language translations Arranged alphabetically by surname each of the 346 entries includes biographical and vocational information notes on the various editions produced samples of their translation and other pertinent facts In cases where translations were done by committee the chairpersons and project initiators are covered Important anonymous translations are also included

Interpreting Proverbs 11:18-31, Psalm 73, and Ecclesiastes 9:1-12 in Light Of, and as a Response To, Thai Buddhist Interpretations Kari Storstein Haug, 2012-03-19 This book argues that an approach to Buddhist Christian dialogue where biblical texts are analyzed by placing Christian and Buddhist perspectives side by side is a method which provides a good platform for further in depth dialogue

The Word Isaac Mozeson, 2000 This landmark dictionary proves that English words can be traced back to the universal original language Biblical Hebrew Genesis II supports a Mother Tongue thesis and the Bible also claims that Adam named the animals This may seem difficult to accept but then why do the translations of the following animals names Skunk Gopher Giraffe and Horse actually have corresponding meanings in Biblical Hebrew such as Stinker Digger Neck and Plower The book features overwhelming data suggesting that the roots of all human words are universal and that words have related synonyms and antonyms that must have been intelligently designed perhaps by the designer of life himself The current hypothesis that language evolved from grunting ape men may seem like the flat earth theory after reading this book The 22 000 English Hebrew links provide surprising evidence and open new worlds of understanding once we consider that all of these similar words could not be coincidences *Monographic Series* Library of Congress, **British Books in Print**, 1968 **The Publishers' Trade List Annual**, 1979 *Religious and Theological Abstracts*, 1991 *The Cumulative Book Index*, 1967 A world list of books in the English language
