

That Dada Strain

Robert Peters

That Dada Strain:

That Dada Strain ,1983 *That Dada Strain* ,1985* **An Audience of Artists** Catherine Craft,2012-05-30 An Audience of Artists turns this time line for the postwar New York art world on its head presenting a new pedigree for these artistic movements Drawing on an array of previously unpublished material Catherine Craft reveals that Neo Dada far from being a reaction to Abstract Expressionism actually originated at the heart of that movement s concerns about viewers originality and artists debts to the past and one another Furthermore she argues the original Dada movement was not incompatible with Abstract Expressionism In fact Dada provided a vital historical reference for artists and critics seeking to come to terms with the radical departure from tradition that Abstract Expressionism seemed to represent Tracing the activities of artists such as Robert Motherwell Barnett Newman and Jackson Pollock alongside Marcel Duchamp s renewed embrace of Dada in the late 1940s Craft explores the challenges facing artists trying to work in the wake of a destructive world war and the paintings objects writings and installations that resulted from their efforts Jacket **Repositionings** Frederick Garber,2010-11-01 In Repositionings Frederick Garber examines recent readings of the lyric in proposing that performance art and photography present alternatives to traditional lyrical modes

Literary History and Avant-Garde Poetics in the Antipodes A. J. Carruthers,2024-03-05 Avant garde poetry in the Antipodes causes all sorts of trouble for literary history It is an avant garde that seems to arrive too late and yet right on time In 1897 Christopher Brennan made his own version of *Un Coup de Des* the same year Mallarme published it in *Cosmopolis* In the 1940s the same period avant gardism was declared dead or fatally injured due to the Ern Malley affair Harry Hooton began writing a significant body of experimental poetry From the 1950s to the 1970s Australian Dada emerged belatedly through figures like Jas H Duke Tristan Tzara had previously sung Aboriginal songs at the Cabaret Voltaire in 1916 First Nations and Migrant poets then began reinventing avant garde poetry in the twentieth and early twenty first centuries This book maintains that such a confounding literary history poses a distinct challenge to the theories of the avant gardes we have become accustomed to and changes our perspective of avant garde time

Jerome Rothenberg's Experimental Poetry and Jewish Tradition Christine Meilicke,2005-07 On a more specific level this book analyses Rothenberg s use of postmodern appropriative strategies such as collage assemblage palimpsest parody pastiche forgery found poetry and theft These strategies illustrate the concept practice and problematics of appropriation Embracing postmodern experimentation and drawing on heterodox Jewish sources Rothenberg constructs a contemporary American Jewish identity that does not rely on institutionalized Judaism Jacket *New Selected Poems, 1970-1985* Jerome Rothenberg,1986 Acclaimed poet and translator editor of such ground breaking journals and anthologies as *Alcheringa* and *Technicians of the Sacred* pioneer in the fields of performance poetry and ethnopoetics Jerome Rothenberg is a literary radical and a major force in American poetry Gathered here in his *New Selected Poems 1970 1985* are pivotal poems from four previous *New Directions* collections *Poland* 1931 *1974* A *Seneca*

Journal 1978 Vienna Blood 1980 and That Dada Strain 1983 Rothenberg describes his new selection as an attempt to isolate in the work of the last fifteen years and a little more the thread of a single long poem or sequence in which figures and voice s without context in the earlier books find a location and a shape Open ended explorative and exuberantly and irreverently epic the sequence ends with two new and previously uncollected poems 15 Flower World Variations and Visions of Jesus

The Great American Poetry Bake-off Robert Peters, 1987 *Placing Poetry* Ian Davidson, Zoë Skoulding, 2013 The essays in this volume present a thorough re evaluation of the idea of place for the twenty first century linking across theoretical interests in space and spatialisation and in motion and mobility Placing becomes an active process that happens in different parts of the world and there is work here from the countries of the United Kingdom from Ireland the USA Australia and mainland Europe Placing also happens in different contexts in the Production of visual images in translation in performance and in poetry that is both there and here The range of poets under consideration matches the breadth of the range of the Contributors International in scope and drawn from a variety of practices and processes their combination in a single volume leads to unusual connections and new readings of their work *Poetics & Polemics, 1980-2005* Jerome Rothenberg, 2008 Jerome Rothenberg s work spans a period of over forty years and nearly one hundred books and though perhaps best known as a poet his critical and theoretical contributions to the fields of innovative experimental poetry have become equally important facets of his work Rothenberg s earliest critical writings concerned themselves with ethnopoetics and the poetics of performance In the last twenty years his critical thinking has evolved to encompass more explicitly issues of modernism postmodernism and the avant garde as well as meditations on the nature of the book and writing This volume extends and elaborates all of those interests allowing for the first time a comprehensive glimpse of the full trajectory of his thinking Pub desc *Dada Surrealism* , 1984 *Credences* , 1984 *The Bald Soprano* Jeff Nuttall, 1989 **Jerome Rothenberg** Harry Polkinhorn, 1988 *The North Dakota Quarterly* , 1987 *Sagetrieb* , 1984 *Chelsea Review* , 1984 *Jazz* Robert Goffin, 1975-02-21 *Studies in American Jewish Literature* , 1990 *Caliban* , 1989
