Shark Trouble Peter Benchley,2002-06-04 Drawing on more than three decades of experience writing about sharks and other marine animals the bestselling author of *Jaws* combines high adventure with practical information in a book that is at once a thriller and a valuable guide to being safe in on under and around the sea Shark attacks on human beings generate a tremendous amount of media coverage Benchley writes partly because they occur so rarely but mostly I think because people are and always have been simultaneously intrigued and terrified by sharks Sharks come from a wing of the dark castle where our nightmares live deep water beyond our sight and understanding and so they stimulate our fears and fantasies and imaginations Benchley describes the many types of sharks including the ones that pose a genuine threat to man what is and isn t known about shark behavior the odds against an attack and how to reduce them even further all reinforced with the lessons he has learned the mistakes he has made and the personal perils he has encountered while producing television documentaries bestselling novels and articles about the sea and its inhabitants He tells how to swim safely in the ocean how to read the tides and currents what behavior to avoid and how to survive when danger suddenly strikes He discusses how to tell children about sharks and the sea and how to develop in young and old alike a healthy respect for the ocean As Benchley says The ocean is the only alien and potentially hostile environment on the planet into which we tend to venture without thinking about the animals that live there how they behave how they support themselves and how they perceive us I know of no one who would set off into the jungles of Malaysia armed only with a bathing suit a tube of suntan cream and a book and yet that s precisely how we approach the oceans No longer Not after you ve read *Shark Trouble*

[Jaws 2-Book Bundle: Jaws and Shark Trouble](#) Peter Benchley,2012-12-17 This eBook bundle includes two acclaimed books by Peter Benchley *Jaws* the classic suspense novel with bonus content that inspired the blockbuster Steven Spielberg movie and *Shark Trouble* a fascinating nonfiction chronicle of Benchley s thrilling diving adventures and heart stopping encounters as he met and studied sharks in their natural habitats for more than thirty years *JAWS* Powerful Benchley s story grabs you at once The New York Times Book Review When Peter Benchley wrote *Jaws* in the early 1970s he meticulously researched all available data about shark

behavior Over the ensuing decades Benchley was actively engaged with scientists and filmmakers on expeditions around the world as they expanded their knowledge of sharks Also during this time there was an unprecedented upswing in the number of sharks killed to make shark fin soup and Benchley worked with governments and nonprofits to sound the alarm for shark conservation He encouraged each new generation of Jaws fans to enjoy his riveting tale and to channel their excitement into support and protection of these magnificent prehistoric apex predators This edition of Jaws contains bonus content from Peter Benchley s archives including the original typed title page a brainstorming list of possible titles a letter from Benchley to producer David Brown with honest feedback on the movie adaptation and vivid photos of scenes from the 1974 film production on Martha s Vineyard SHARK TROUBLE A serious beach book part real life underwater adventure part cautionary tale on the environment part practical advice on staying safe on the ocean USA Today In this book of true stories and life saving advice Benchley clarifies the myths and realities about sharks shark attacks and safety on the seas He draws on more than three decades of experience in and under the sea to share exciting personal adventures with sharks to offer intriguing facts about the sea and its wildlife and most important to help readers understand the ocean and approach it with knowledge security and respect **The Process and Practice of Photo-engraving** Harry Appleton Groesbeck,1924
