That Special Touch:

Mantras From The Great Void Janice Josephine Carney, 2009-10-30 In this book Janice Josephine Carney makes us welcome into the wondrous and painful truths of a life history that is sure to make our hearts beat a bit more deliberately Her words are simple and clear and almost deceptively easy to understand even as she reveals some of the most profound moments in any human life Here are luminous events of wrenching sorrow and heart splitting joy Janice Josephine uses a simple and clear poetic style conversational and accessible to invite us into her own careful exploration of her life and the events around her Never afraid to express fiery anger deep despair sweet romance or a profoundly still calm her poems present a truly complete personal experience with a clear and compelling call to amend our own person and political behaviors often skillfully embedded in that exploration Here is witness to the all too human ability to hurt and betray as well as to love and cherish Read these poems and essays from a welcoming and loving soul and you will find your own spirit made richer Toni Amato editor of Pinned down by Pronouns

Purple Hearts and Silver Stars Janice Josephine Carney, 2004-12-16 In 1996 I celebrated a year of sobriety and began a journey of rebirth That year I developed confidence in myself that previously I never experienced I took my personal collection of notes diaries and tapes from my year in Vietnam and begin to organize them into a book In 1997 I completed the manuscript and titled it One Heart One Mind one man s memoir of a tour of Vietnam The book not only dealt with my year in Vietnam but with the emotional cost of the war on my soul and psyche With assistance from Jonathan Shay M D Ph D the author of Achilles in Vietnam a book about combat trauma and the undoing of character I tried unsuccessfully to get my book published In 1998 I legally changed my name from John Joseph to Janice Josephine and my writing now included transgender issues I felt that I had come to terms with my trauma from the Vietnam War and I was ready to move on In 1999 2000 I wrote and performed a play I Was Always Me The two act play is a monologue of my transition from John to Janice In the fall of 2000 I had my first article published in the Transgender Tapestry Magazine In 2001 I was the subject of a documentary TransJan produced and directed by Katherine Cronin Its premiere at the Provincetown International Film Festival opened the door for me and after each screening I conducted a Q A about transgender issues The latest screening of TransJan was in 2002 when it was selected to be one of the films for the Tampa Gay and Lesbian Film Festival In 2001 in Boston while performing readings of my poems and rants at Slams I met the writer Toni Amato Shortly after that meeting I begin attending Toni s creative writing workshops at Women s Words and later attended one of her weekend writer retreats That year I presented TransJan and sat on panels at the Transcending Boundaries Conference at Yale University and at Speak Out a conference at Bunker Hill Community College in Boston My most challenging event that year was the L B T Allies Strategy Summit in Vermont sponsored by the National Organization for Women In 2002 I continued to do workshops using creative writing as a means of getting people to open up about transgender issues I also put together a course of study on transgender issues called Transsexuals are Human Also I

conducted creative writing workshops at the Midwest L G B T Allies College Conference Out of this conference came my transgender monologue and as My Vagina Monologue I performed this at the St Petersburg Metropolitan Community Churcher s Talent Show and it was published in the summer issue of the Transgender Tapestry Magazine This year I have presented creative writing workshops at the International Foundation for Gender Education in Philadelphia the New Hampshire Transgender Resources for Education and Empowerment at the University of New Hampshire in Durham and at Silver Threads a weekend retreat on St Pete Beach I have put together a collection of my poems rants and essays that are directly from a transwoman s heart called Purple Hearts and Silver Stars One of my short stories was published as part of Mary Boenke s Trans Forming Families real stories about transgender loved ones Later this year two short stories will be published in anthologies Pinned down by Pronouns [http www convictionbooks com](http://www.convictionbooks.com) and Trans lating Faith Pilgrim Press 700 Prospect Ave Cleveland Ohio I am an active member of a local group of women artists called Women Artist Rising with whom I share my poems rants and stories at various WAR events [http www womenartistsrising com](http://www.womenartistsrising.com) My new column Perspectives from a Trans woman that started in a local newsletter is now in syndication

That Special Touch Introduction

In today's digital age, the availability of That Special Touch books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of That Special Touch books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of That Special Touch books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing That Special Touch versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, That Special Touch books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing That Special Touch books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for That Special Touch books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, That Special Touch books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of That Special Touch books and manuals for download and embark on your journey of knowledge?
