That Would Explain The Violinist:

Interdisciplinary Approach to the Violin Mariana Domnica Stanciu, Voichita Bucur, 2025-05-26 This book can be viewed in many ways as it explores the interdisciplinarity of research in violin engineering and art being a valuable reference for readers interested in the acoustics of violins and in the science of materials used for making them. In this book the wood science, the chemistry of varnish, the art and technology of violin making by luthiers and organologic context of violins are put together giving a holistic view of the subject and complementing the large literature which exists on this instrument. The book is addressed to teachers, researchers, makers of musical instruments and artists alike, this being a good premise for understanding the complexity of the interdisciplinary phenomena that musical instruments involve. This book is based on the material most of which was accumulated during the period 2019-2024 within the ACADIA 61PCE 2022 and MINOVIS 568PED 2020 projects financial supported by The Executive Unit for the Financing of Higher Education Research Development and Innovation from Romania UEFISCDI.

The Violin Explained James Beament, Sir James Beament, 2000 a comprehensive look at what is known about the mechanics of the violin family. In a very readable and non-mathematical style, he explains the nature of sound production and confronts the question of tone assessment. Professor Beament's book is a refreshing read full of information which goes a long way to filling a distinct gap in the market. The Strad. Throughout its history, the violin has had a mystique with many curious beliefs. This book, now available in paperback, offers an explanation without assuming any scientific background of how a violin produces sound and of how that sound causes what we hear. This explodes many of the long-standing myths. It also shows there is no place for modern technology in making or playing. Practical advice for players and parents is included.

The Violin Case Nora Quick, 2015-01-14 Doomed from the beginning, Marly walks alone. A rich boy, a fence, a pimp, an arms dealer, a host of grifters and a crazed West Coast P.I. are all involved in the theft which threatens to bring war between the strongest crime family in town and another with a price on her head. When a sniper begins cleaning up loose ends, it's a race against time. He, Coldest Case, Come to Chicago's Hottest P.I., Marly Jackson. Tasked by her ex-lover, Finn, with finding a rare violin, the case explodes. From back-alley deals in the slums to the halls of academia, it seems everyone wants a piece of the violin and everyone is willing to kill to get it. As the mystery stretches back further and further into the past, Marly must find not only the violin but its secrets. But when dead bodies begin piling up and the players go to ground, it's down to the wire. When revenge, passion, greed, and cold-blooded betrayal dance deadly around her, can Marly stay alive long enough to get to the truth and discover what is real and what is smoke and mirrors in *The Violin Case*?
