Buzacott,2012-10-01 For three generations the ABC's symphony orchestras were a jewel in the crown of Australian culture allowing audiences to hear Rubenstein, Tauber, Szell, Beecham, Schwarzkopf, Rostropovich and Klempener in their primes while providing career long employment for Australia's own leading classical musicians. Much less well known is the fact that for many years the ABC's in house musical ensembles also included full time dance bands, a military band and wireless choruses of uncommon distinction. In this groundbreaking study of the complete gamut of ABC music making, well known author and music critic Martin Buzacott describes how often against the odds the ABC's musical founders including Sir Charles Moses, Sir Bernard Heinze and William G. James created a culture of musical excellence whose legacy remains with us today. Based on unprecedented access to the ABC's archives and personal interviews with many leading Australian musicians, the Rite of Spring: 75 Years of ABC Music Making takes a fascinating journey through a musical history in which all Australians have shared.

Violin ABC: Violin Scales for Children, Vol. 1 Szilvay, Géza, Colourstrings. Violin ABC is finally available in digital format. Violin Books A, B, C and D, Scales book 1, 2 and 3 and Kreutzerini are released as electronic publications. Violin Scales for Children Vol 1 is the first book of Violin Scales for Children. Pupils with the help of tonic solfa will become acquainted with the major and natural minor scales which are built on the natural notes starting with the scale of A major. The main purpose in addition to playing these scales is to learn the names of the notes to write and to recognise them as well as on the staff as on the fingerboard of the instrument. The Colourstrings method uses a colour for each string and focuses on teaching children rhythm and technique on open strings while gradually introducing them to more complicated methods.

A Chronological History of Australian Composers and Their Compositions - Vol. 3 1985-1998 Stephen Pleskun, 2013-03-06. In this third of 4 volumes that include more than 800 composers and over 30 000 compositions, Stephen traces the history and development of Classical music in Australia. From obscure and forgotten composers to those who attained an international reputation, this volume reveals their output, unique experiences and travails. The formation and demise of music ensembles, institutions, venues and festivals is part of the story and included in the narrative are performers, conductors, entrepreneurs, educators, administrators, instrument makers, musicologists, music critics and philanthropists. A concise yet comprehensive picture of Australian music making can be found in any given year.
