Facundo Conforti,2023-04-24 The panels of a commercial aircraft are usually a mystery to some pilots who want to enjoy these wonderful works of aeronautical engineering Understanding the operation of each knob each button each indicator and each part of the aircraft panels seems to be an almost impossible mission for those who have not been lucky enough to take the aircraft habilitation course In this work we will make it simple and easy A book dedicated exclusively to the panels of the fabulous Boeing 737 NG In each chapter you will learn each part of the panels each function each indication After this reading it will be enough to look at the panels of the cockpit in a B737 and you will understand what you are seeing perfectly It is not a system manual but a descriptive and analytical manual of each panel of the aircraft An ideal complement to the book Introduction to 737 of this collection where you learn all the aircraft s systems Here you will learn all the sections of the upper panel overhead panel main flight panels main panels lower panel pedestal panel and much more Instructional

Models in Computer-Based Learning Environments Sanne Dijkstra,Hein P.M. Krammer,Jeroen J.G. van Merrienboer,1992-12-14 In the last decade there have been rapid developments in the field of computer based learning environments A whole new generation of computer based learning environments has appeared requiring new approaches to design and development One main feature of current systems is that they distinguish different knowledge bases that are assumed to be necessary to support learning processes Current computer based learning environments often require explicit representations of large bodies of knowledge including knowledge of instruction This book focuses on instructional models as explicit potentially implementable representations of knowledge concerning one or more aspects of instruction The book has three parts relating to different aspects of the knowledge that should be made explicit in instructional models knowledge of instructional planning knowledge of instructional strategies and knowledge of instructional control The book is based on a NATO Advanced Research Workshop held at the University of Twente The Netherlands in July 1991 **B737 Run-up/taxi**
