## Germany Since World War II:

### **World War II Memory and Contested Commemorations in Europe and Russia** Jennifer A. Yoder, 2024-01-01

Instrumentalization of the wartime past for political gain is the subject of this study of eleven World War II commemorations. Using a comparative conceptually original approach, Yoder identifies the actors who manipulate memory surrounding wartime anniversaries such as the bombing of Dresden and ceremonies to honor fallen soldiers and fascist collaborators. The cases of memory contestation span three geographic regions: Western Europe, Eastern Europe, and Russia, recognizing that each developed distinctive interpretations of the war and different patterns of memory politics. This empirically rich study reveals the grievances that motivate memory challengers and their strategies for shaping the commemoration discourses and rituals. The memory challengers' toolkit includes varieties of emotional manipulation, subtle distortion, revisionism, and full-scale denial. The study finds that while there are differences in context and strategy across cases and regions, there are also areas of convergence. Moreover, a memory challenge in one country can spill over into others with serious consequences for foreign relations. While *World War II Memory and Contested Commemorations in Europe and Russia* deals with debates and narratives about events in the last century, its focus is on power, persuasion, and identity in the present. *Encyclopedia of Conflicts since World War II* James Ciment, Kenneth Hill, 2012-12-06 This copiously illustrated A-Z reference presents the most in-depth information available about the various conflicts the world has endured: local, regional, and international since World War II. Some 142 conflicts are discussed and analyzed. The *Encyclopedia of Conflict since World War II* with its coverage of all the countries of the world fills a critical need for clear, comprehensive explanations of events not covered in such detail in any other reference source. Entries end with an extensive bibliography, and the encyclopedia includes maps, chronologies, and a general bibliography, as well as an index designed to make the reader understand the correlation and relationships between individual conflicts. *With Courage: The U.S. Army Air Forces in World War II*, *Structural Changes in West German Agriculture* Elfriede Anne Krause, 1972 *Hearings* United States. Anderson, 1993 Harry Truman's administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In *Shadow on the White House* seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II

In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation's frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president's decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon.com The Log, 1952 Germany, Hitler, and World War II Gerhard L.
