Good Folks Good Country:

Why Good People Do Bad Things Gerard Vanderhaar,2013-08-09 Why Good People Do Bad Things sheds new light on the ethical dilemmas of modern life It shows how people of good will who are generally thoughtful caring and reasonably well balanced can unwittingly contribute to the evils present in our social systems In exposing these situations this book also offers the hope that these same good people can take a fresh look at the world around them In doing so they can then see the potential of our world as well as its defects and determine to be part of the solution rather than part of the problem
