Thompson, 2020-09-02 The Bible is not easy to figure out Churches are filled with adults

who are too embarrassed to admit their sketchy knowledge and jumbled impressions of biblical material Even seminary trained pastors struggle to get a handle on the flow of the Scriptures from beginning to end No wonder so many people give up on the Bible and even the church This book claims that what gives the Bible its overarching integrity and lasting value is a narrative a storyline Readers who approach the Bible with narrative in mind will discover from Genesis to Revelation a story that begins at a certain point establishes a theme develops continues and adapts that theme and reaches a resolution of sorts Rather than a book by book treatment of the Bible this book identifies and traces a Story that stretches across the corpus of the canon a Story in which divine promise and human response constantly define each episode Text boxes reflection questions chapter questions and activities encourage the reader to engage with content at more than one level all along the way Engaging with the Bible can become exhilarating and gratifying
