**The Art & Practice of Creative Visualization** Ophiel, 2001-08-01 There's more to creative visualization than meets the eye In this ground breaking volume first published in 1967 Ophiel lays out the 10

Laws of Creative Visualization Once understood they are as simple and as real as the laws of gravity or magnetism In other words they work Ophiel tells us how to do and undo the magic of visualization Whether we want a new job a new house a new

relationship or a warm coat we can manifest that which will create happiness and comfort in our lives And should we discover that we've gotten it wrong that we neither want nor need what we've visualized there are techniques to undo what has been done Along with the theory Ophiel offers plenty of practice in working with symbols visualizing physical reality making a treasure chart and understanding the role of emotion in visualization Work with the symbols in the book and learn how to create your own This is practical metaphysics at its best Love spells are forever but if you want the object of your affection to go away Ophiel tells you how to do that as well

**Affirmations & Creative Visualization** Brenda Nathan, 2015-09-23 How many times a day do you do something only to end up regretting it a moment or two later How often do you struggle with negativity in your mind If you are like most people the answers to these two questions are many and very respectively To make a real lasting change in your life you need to change the patterns of your thoughts That doesn't mean you reach inside your head and poke around No it's nothing that complex Changing the patterns of your thoughts is as simple as telling yourself the right things affirming the positivity reminding yourself of what you want visualizing what you want to happen in your life Your mind is a simple thing in one way at least it believes the images that you show to it It reacts to those images emotionally and then seeks to manifest those images throughout your life By working with The Affirmations Creative Visualization Workbook you will set yourself up for lasting change by signaling to your mind that this is what you want it to do This book guides you toward a daily routine of written positive affirmations and visualizations that will change your life You'll keep a monthly log of accomplishments and review your entries periodically getting a clear picture of just how far you have come in your journey If you want to make a difference for yourself only you can do it but this workbook will help you along the way
