The Creed:

The Creed of Christendom William Rathbone Greg,1883 **An Exposition of the Creed** Pearson,1710 An Exposition of the Creed John Pearson,1741 **An Exposition of the Creed** John Pearson (Evêque de Chester.),1723

The Creed in the Catechism Eamon Duffy,2005-05-30 Eamon Duffy explores the first and longest section of the Catechism of the Catholic Church its teaching on the basic framework of Catholic belief as found in the Apostle s Creed Drawing on material from a whole range of Christian tradition from the scriptures and early fathers to the work of modern theologians like Hans Urs von Balthasar and Juan Luis Segundo he traces the distinctive ideas at work in the Catechism and assesses its faithfulness to the teachings of the council His book provides catechists priests teachers and the general reader with a non technical and fascinating guide to the Catechism in the light of theological developments and debate in the Church since the Council Illustrated with material from contemporary literature as well as theology and liturgy it also provides an introduction in its own right to some of the most fundamental and urgent themes of Christian belief **The Creed** Michael Bauman,Thomas Nelson Publishers,2002-06-05 The Creed is a line by line look at one of the oldest statements of faith The Apostles Creed This contemporary explanation will do two things Strengthen Your Faith This book will give short explanations and illustrations as to the essentials of the Christian faith Don t look for a dry recounting of theology Change Your Life Thousands of people recite this Creed every week See how reciting what you believe can change the way you look at God This book is full of energy and will give your faith newness and freshness FUTURE TITLES The Commandments Ten Commandments February 2003 The Prayer Lord s Prayer September 2003 Prepack 12 units ISBN 0 7810 0256 3 Price 119 88 *The Creed* Luke Timothy Johnson,2007-12-18 This thoughtful fully accessible exploration of the creed the list of beliefs central to the Christian faith delves into its origins and illuminates the contemporary significance of why it still matters During services in Christian communities the members of the congregation stand together to recite the creed professing in unison the beliefs they share For most Christians the creed functions as a sort of ABC of what it means to be a Christian and to be part of a worldwide movement Few people however know the source of this litany of beliefs a topic that is further confused by the fact that there are two different versions the Apostle s Creed and the Nicene Creed In *The Creed* Luke Timothy Johnson a New Testament scholar and Catholic theologian clarifies the history of the creed discussing its evolution from the first decades of the Christian Church to the present day By connecting the deep theological conflicts of the early Church with the conflicts and questions facing Christians today Johnson shows that faith is a dynamic process not based on a static set of rules Written in a clear graceful style and appropriate for Christians of all denominations *The Creed* is destined to become a classic of modern writings on spirituality **The Creed Explained** Silvia Vecchini,Antonio Vincenti,2019-02-02 Introduce children ages 8 12 to the Apostles Creed and the foundations of the Catholic faith This guide explores each of the twelve articles or lines of the Apostles Creed piece by piece Prayers reflections a notebook section and quotes from various

saints and theologians give more depth to the articles The Creed Explained offers the Apostles Creed as a guideline for taking children through the basic tenets of Catholicism and begins to bring them into a deeper understanding of God *The Creed* Berard L. Marthaler,1993 Newly revised and expanded this is the perfect introduction to the beliefs of Catholicism and a unique and invaluable guide for studying the Catechism of the Catholic Church This revised and expanded edition of The Creed is highly recommended for students of Ecclesiology Christology Church History and Catechetical Theology Unique among the many commentaries on the classic formulas of Christian faith this book does not simply relate the Nicene Constantinopolitan Creed and the Apostle s Creed to the apostolic faith of the New Testament but presents them in light of contemporary theological issues The revised edition features updated expanded text a glossary and enhanced bibliographic resources

The Creed in Slow Motion Martin Kochanski,2022-06-30 I believe in one God the Father almighty maker of heaven and earth The Creed is the bones of our faith In all our different ways it makes us who we are But when we stand up and recite the Creed in unison we have no time to contemplate what it is that we are committing ourselves to The words rush past their meaning blurred by familiarity If we could only slow them down and hear them properly they would have the power to change worlds That is what The Creed in Slow Motion aims to do This is a book for people who like to think things through from first principles It will not tell you what to believe It is for you to engage your mind and discover that for yourself And for unbelievers to learn what exactly they disbelieve and why In forty short chapters with clarity and wit The Creed in Slow Motion draws examples from real life stories history and even science to uncover the core claims of Christianity By turns it is deep heartening startling revolutionary and even by the world s standards outrageous The "Damnatory Clauses" of the Athanasian Creed Rationally Explained to the Right Hon.
