The Cricketers Bedside:

One Long and Beautiful Summer Duncan Hamilton, 2020-07-02 A MULTIPLE AWARD WINNING SPORTS WRITER Hamilton's book is a marvel I'm not sure he could write a dull sentence if he tried Spectator One of Duncan Hamilton's favourite writers on cricket Edmund Blunden wrote how he felt going to watch a game You arrive early earlier even than you meant and you feel a little guilty at the thought of the day you propose to give up to sheer luxury Following Neville Cardus's assertion that there can be no summer in this land without cricket Hamilton plotted the games he would see in 2019 and write down reflectively on some of the cricket that blessed his own sight It would be captured in the context of the coming season in case subsequent summers and the imminent arrival of The Hundred made that impossible He would write in the belief that after this season the game might never be quite the same again He visits Welbeck Colliery Cricket Club to see Nottinghamshire play Hampshire at the tiny ground of Sookholme gifted to the club by a local philanthropist who takes money on the gate his village team at Menston in Yorkshire the county ground at Hove watches Ben Stokes's heroics at Headingley marvels at Jofra Archer's gift of speed in a Second XI fixture for Sussex against Gloucestershire in front of 74 people and three well behaved dogs and realises when he reaches the last afternoon of the final county match of the season at Taunton How blessed I am to have been born here How I never want to live anywhere else How much I love cricket One Long and Beautiful Summer forms a companion volume to Hamilton's 2009 classic A Last English Summer It is sports writing at its most accomplished and evocative confirming his reputation as the finest contemporary chronicler of the game **The Strangers Who Came Home** John Lazenby, 2015-01-29 A compelling and beautifully drawn social history of the first Australian cricket tour of England An excellent bustling account of the first Australian cricket XI to tour England Independent A fascinating story well told Choice The Ashes cricket series played out between England and Australia is the oldest and undoubtedly the most keenly contested rivalry in international sport And yet the majority of the first representative Australian cricket team to tour England in 1878 in fact regarded themselves as Englishmen In May of that year the SS City of Berlin docked at Liverpool and the Australians stepped onto English ground to begin the inaugural first class cricket tour of England by a representative overseas team As they made their way south towards Lord's to play MCC in the second match of the tour the intrepid tourists or the strangers as they were referred to in the press encountered arrogance and ignorance cheating umpires and miserable weather But by defeating a powerful MCC side which included W G Grace himself in a single afternoon's play they turned English cricket on its head The Lord's crowd having begun by openly laughing at the tourists were soon wildly celebrating a victory that has been described as arguably the most momentous six hours in cricket history and claiming the Australians as their own The Strangers Who Came Home is a compelling social history which brings that momentous summer to life telling the story of these extraordinary men who travelled thousands of miles risking life and limb playing 43 matches in England as well as several in Philadelphia America on their return journey

during a demanding but ultimately triumphant homecoming It reveals how their glorious achievements on the field of play threw open the doors to international sports touring and how these men from the colonies provided the stimulus for Australian nationhood through their sporting success and brought unprecedented vitality to international cricket **Victory in Australia** Richard Whitehead,2025-07-03 The definitive account of an epic Ashes battle *Song of the Cricket* Charles O. Uzoaru,2013-01-14 Song of the cricket is a collection of poems and poetic discourses Its goes beyond poetry and delves into the various philosophical and practical aspects of life and humanity in a very simple language The book brings to the forefront issues and dilemmas that affect individuals in their daily lives and stimulates the mind to ask questions and engage in meaningful discussions concerning life and humanity It is s composite of ethics psychology philosophy literature and human behavior *The Economist* ,1966 *THE QUIVER: AN ILLUSTRATED MAGAZINE FOR SUNDAY AND GENERAL READING VOL. VIII.* ,1873 **The Cricketer's Bedside Book** Ron Roberts,1966 **The three homes, by F.T.L. Hope** Frederic William Farrar,1896 **The Quiver** ,1873 V 12 contains The Archer Christmas 1877 The Cumulative Book Index ,1967 A world list of books in the English language **Some Persons Unknown** Ernest W. Hornung,1899 *The Time of the Cricket* William D. Blankenship,1995 A Japanese police officer and a woman art dealer from the U S join forces to battle Japanese gangsters for a samurai sword The policeman is a kikokushigo as the Japanese call people who have lived abroad so long they are no longer considered real Japanese By the author of Brotherly Love **Fanchon the Cricket** George Sand,1891 **Good Housekeeping Magazine** ,1894 **The cricket club; or, Warned just in time** Phoebe Allen,1884 **Great Thoughts from Master Minds** ,1889 Some Persons Unknown Ernest William Hornung,1898 Kenyon had been more unmanageable than usual Unsettled and excitable from the moment he awoke and remembered who was coming in the evening he had remained in an unsafe state all day That evening found him with unbroken bones was a miracle to Ethel his sister and to his great friend John the under gardener Poor Ethel was in charge and sole charge of Kenyon who was eleven was no light matter for a girl with her hair still down Her brother was a handful at most times to day he would have filled some pairs of stronger hands than Ethel s They had begun the morning together with snob cricket as the small boy called it but Kenyon had been rather rude over it and Ethel had retired She soon regretted this step it had made him reckless he had spent the most dangerous day Kenyon delighted in danger He had a mania for walking round the entire premises on the garden wall which was high enough to kill him if he fell and for clambering over the greenhouses which offered a still more fascinating risk Not only had he done both this morning he had gone so far as to straddle a gable of the house itself shrieking good tempered insults at Ethel who appealed to him with tears and entreaties from the lawn below **The ghost [by] W. D. O'Connor. The bellows mender of Lyons. The iron shroud [by] W. Mudford. Kenyon's innings [by] E. W. Hornung. Elegant Tom Dillar [by] C. F. Briggs. J. Cole [by] Emma Gellibrand. What was it?
