## **The Courage To Change:**

**Do You Have the Courage to Change?** Dr. Walter J. Urban, 2004-05-01 This book is a breakthrough book and the first of its kind. It focuses on specific reasons why people don't change. Understanding the obstacles through a conscious awareness makes it easier for people to take the responsibility to change. Many people offer reasons or excuses for maintaining the status quo. They seldom look in the mirror and confront their issues and then challenge themselves to make the changes that they know would create a healthier lifestyle. If you don't change for the better, you will keep heading in the same direction and probably get worse. Your old habits and patterns are reinforced each day and become harder and harder to change. That's why the book offers simple suggestions of what you can do to start the changing process today. These exercises will get you on the right track and help you develop discipline and new habits in which you take more responsibility for your greater well-being. There are no other books like this one. Other books tell you what you should do to live a healthier lifestyle but lack the self-confronting issues that are clearly and simply presented in this book. With this in mind, the benefits of *Do You Have The Courage To Change* cannot be found anywhere else.

**The Courage to Change** Joyce Meyer, 2025-05-06 Change is inevitable. And sometimes it's confusing and difficult, even when it's good. We can't keep change from coming, but we can allow it to transform us rather than derail us by facing it and embracing it through the lens of God's unchanging promises to us. We've all heard the saying, "The only constant is change." Sometimes the changes we face both expected and unexpected can make our lives feel ungrounded and unsteady. And when we react to change with fear, an opportunity for growth can turn into overwhelming anxiety that locks us into situations, relationships, and ways of thinking and being that prevent us from living in the fullness of who we truly are in Christ. Beloved Bible teacher and *1* New York Times bestselling author Joyce Meyer wants us to know that even when we feel like the ground beneath our feet is shifting, we can stand firm on the promise of God's Word that He will see us through. With her signature insight and timeless wisdom, Joyce shows us how to align our emotional reactions to changes with the truth of God's promise that He will work all changes for good in our lives, even the most painful and difficult ones. In *The Courage to Change*, you will learn how to embrace change as a necessary part of growth. Replace a mindset of fear with a mindset of opportunity. And live fully within the uncertainty of change while maintaining peace. We will all face changes again and again throughout our lifetimes. We don't have to live dreading the challenges that these changes bring. We can equip ourselves to become people of bravery, optimism, and hope in an ever-changing world because we have God's assurance that His character and His promises will never change. Become a change warrior and embrace the courage to change. *The Courage to Change* also contains study questions at the end of each chapter for individual or group reflection.
