## **The Courthouse Square In Texas:**

**The Courthouse Square in Texas** Robert E. Veselka,2010-07-05 With its dignified courthouse set among shade trees and lawns dotted with monuments to prominent citizens and fallen veterans the courthouse square remains the civic center in a majority of the county seats of Texas Yet the squares themselves vary in form and layout reflecting the different town planning traditions that settlers brought from Europe Mexico and the United States In fact one way to trace settlement patterns and ethnic dispersion in Texas is by mapping the different types of courthouse squares This book offers the first complete inventory of Texas courthouse squares drawn from extensive archival research and site visits to 139 of the 254 county seats Robert Veselka classifies every existing plan by type and origin including patterns and variants not previously identified He also explores the social and symbolic functions of these plans as he discusses the historical and modern uses of the squares He draws interesting new conclusions about why the courthouse square remains the hub of commercial and civic activity in the smaller county seats when it has lost its prominence in others [The courthouse square in Texas](#) Robert Ervin Veselka,1993

*Historic Hood County* Mary Estelle Gott Salterelli,2009 An illustrated history of Hood County Texas paired with histories of the local companies

**The Texas Sheriff** Thad Sitton,2006-01-20 The Texas Sheriff takes a fresh colorful and insightful look at Texas law enforcement during the decades before 1960 In the first half of the twentieth century rural Texas was a strange often violent and complicated place Nineteenth century lifestyles persisted blood relationships made a difference and racial apartheid was still rigidly enforced Citizens expected their county sheriff to uphold local customs as well as state laws He had to help constituents with their personal problems which often had little or nothing to do with law enforcement The rural sheriff served as his county s Mr Fixit its resident good old boy and the lord of an intricate rural society Basing his interpretations on primary sources and extensive interviews Thad Sitton explores the dual nature of Texas sheriffs demonstrating their far reaching power both to do good and to abuse the law

*Main Street Revisited* Richard V. Francaviglia,1996-06 Popular culture Francaviglia looks sympathetically but realistically at the ways in which Main Street s image developed and persists He reaffirms that life can imitate art that the cherished icons surrounding Main Street have become the substance of popular culture Ultimately his book is about the material culture that architects town developers and image makers have left us as their legacy Seen through the lives of the visionaries who created them in their
