Heinze,2011 Could life have formed in the Primordial Soup billions of years ago Evolutionists claim that simple chemicals became concentrated in ancient oceans forming an organic broth which eventually produced living cells Is this possible In 1953 Stanley Miller became famous for his experiment which produced amino acids by passing a spark through gasses which contained the elements that make up amino acids Evolutionists hoped their students would believe without question that amino acids would produce life But Heinze reveals the facts evolutionists won t tell you The amino acids produced would not work in any living things The more recently suggested steps in Chemical evolution will not take place either The idea is scientifically bankrupt and the foundation of evolutionary thinking is destroyed Full of quotes from the best known scientists in the field How Life Began is a great gift for students teachers and school libraries Learn how the scientific facts speak powerfully of an intelligent Creator without whom life could never have begun Learn how to know Him personally

**Instructor's Manual** Harry Finestone, Michael Shugrue, Caroline Shrodes, 2003-05-01      BECOMING THE MORAL EQUAL OF GOD Tim Effinger, 2025-10-02 Biblical illiteracy abounds Many maybe most churchgoers are not saved at all Most children growing up in Christian homes will reject Christianity before they are twenty two years old Many Christians cannot give an accurate definition of such words as salvation repentance or gospel If you don t know what salvation is how can you know if you are saved or not Salvation is by far the most important topic to understand because if you are wrong about salvation then you will spend eternity in hell This book is written to bring much accurate detail to the subject of salvation but in a way that any ordinary person can understand You will learn what biblical repentance is You will learn what salvation is and how you can gain salvation from Jesus Christ You will learn what believing in Jesus means This book will lead the unsaved to salvation in Jesus and the saved will become better witnesses      American Book Publishing Record ,2007
