The Critics:

The Critics of Columbus Richard Di Giacomo,2025-05-01 The character and conduct of Christopher Columbus has come under more criticism than almost any other historical figure This book will outline the various forms of attack upon Columbus over the centuries This is what I call the Columbus conspiracy It is a systematic attempt to assassinate the character of Columbus by a long line of people not working in conjunction but nonetheless building upon one another cumulatively over the years From the contemporary enemies of Columbus who sought to steal his glory and his wealth to later historians who sought to impugn his reputation in response to the hero worship that grew up around him in the 19th and 20th centuries Every aspect of Columbus life has come under attack from his origins his study and preparations his proposals for the great ventures of exploration his claims of discovering America first his conduct towards the Native Americans and the Spanish settlers his endless quest to find gold the nature and primacy of what he discovered and his role in the history of slavery genocide and environmental destruction His legacy has been contested in a literal legal sense in a lawsuit between his heirs and those who wanted to steal his fame and wealth These appeared in the Pleitos Colombinos or Columbian Lawsuits which are examined in this context in detail for the first time in this book It has also been contested in the literary and historical sense by a long succession of historians which has sought to make a name for themselves by digging up more dirt on Columbus and further discrediting him Columbus has been called a lowborn uneducated imposter pirate usurper rapist mass murderer poor sailor accidental discoverer bumbling fool tyrant liar greedy gold hunter religious fanatic hypocrite evil slaver bloodthirsty and indiscriminate killer and raving lunatic This is just to name a few of the attacks made on him It is difficult to understand why a single man has drawn such opprobrium when similar contemporary historical figures are not as harshly criticized It is equally difficult to understand why Columbus has been singled out as the sole individual origin of the sins of an entire generation in first exploiting and then wiping out the Native Americans that he encountered All of the various attacks on Columbus over the centuries will be discussed in this work and thoughtful and well researched rebuttals will be given to them including to some of the most outrageous and unfair claims The purpose of this book is not to defend Columbus but to call for a more mature and balanced treatment of him by historians and the general public This is not merely a Columbus apologist treatment It is a plea that Columbus be understood in the context of his times and that his accomplishments be given equal weight with his faults

The Higher Criticism of the Hexateuch Charles A. Briggs, 2008-06-12 The Critic, 1893 Music William Smythe Babcock Mathews, 1892 **CHRISTIAN THEOLOGY** Edward D. Andrews, 2024-01-26 CHRISTIAN THEOLOGY: The Christian's Ultimate Guide to Learning from the Bible is a comprehensive exploration of Christian doctrine, offering an in-depth understanding of the essential teachings and principles of the faith. This extensive work is an invaluable resource for both seasoned theologians and those new to biblical study. In this meticulously crafted volume, readers will delve into the essence of Christianity, examining the dynamics of faith that form the bedrock of Christian belief. The book begins with a profound introduction to the core tenets of Christianity, laying a solid foundation for the intricate theological concepts that follow. The journey continues through the complex realm of biblical doctrine, where divine revelation, the process of inspiration, the inerrancy of Scripture, and the formation of the canon are examined with scholarly precision. Principles of biblical interpretation are explored in detail, providing readers with the tools to understand Scripture within its historical and cultural context. A significant portion of the book is dedicated to the Doctrine of God, delving into His identity, divine attributes, and the enigmatic nature of the Trinity. The book also illuminates God's law and His active role in the world, offering insightful perspectives on His interactions with humanity. The Doctrine of Christ receives thorough attention, exploring Christ's eternal existence, His miraculous birth, sinless nature, and the profound significance of the crucifixion and atonement.

resurrection and ascension The ongoing role of Christ in heaven is also examined highlighting His enduring influence in the Christian faith The Holy Spirit's doctrine is not overlooked with chapters dedicated to understanding His work indwelling and active role today The Human Doctrine follows offering an exploration of the creation of humanity the concept of being made in God's image and the descent into sin In the Doctrine of Redemption readers will find an in depth analysis of atonement ransom reconciliation sanctification and the multifaceted nature of salvation including perspectives from Calvinism Reformed Calvinism and Arminianism The book also ventures into Angelology providing insights into the nature of angels and the roles of key archangels like Michael and Gabriel The Doctrine of Satan and Demonology are addressed shedding light on the essence strategies and realm of demonic forces Ecclesiology is explored in depth covering the origins essence and functions of the Church the significance of church membership and the dynamics of church leadership along with an examination of first century church administration as a model for today Finally the book culminates in a detailed study of Eschatology the Doctrine of the End Times This includes interpretations of prophecy the signs of the end times the Rapture the Tribulation period the Millennium and the various divine judgments leading to eternal punishment or life CHRISTIAN THEOLOGY The Christian's Ultimate Guide to Learning from the Bible is a masterful blend of academic rigor and accessible writing making it a must have for anyone seeking a deeper understanding of Christian theology and its profound implications on personal faith and practice
