Linus Pierpont Brockett

The Cross And The Crescent:

The Cross & the Crescent Malcolm Billings,1988 Accompanies the BBC Radio series The Cross and the crescent first broadcast beginning in January 1987 T p verso A history written from the point of the view of the Crusaders **The Cross and the Crescent** Richard A. Fletcher,2004 A historical overview of the relationship between the Christian and Islamic worlds from the seventh to the sixteenth centuries traces the religious misunderstanding between the two great religions despite long periods of peaceful coexistence The Cross and the Crescent Richard Fletcher,2004-03-04 A short brilliant account of the relations between Islam and Christianity from Muhammad to the Reformation Fletcher argues that though there were trading and cultural interactions between Islam and Christianity during the period when Arabs controlled most of the Mediterranean world neither side was remotely interested in the religion of the other Christian and Moslem lived side by side in a state of mutual religious aversion Given these circumstances if religious passions were to be stirred up confrontation would probably be violent He shows how religious misunderstanding and antagonism between the peoples of the book has been present since their earliest encounters **The Cross and the Crescent** A. J. Abraham,2001-01-01 The Cross And The Crescent An Ecumenical Perspectice is an analytical study of Christianity and Islam and a look at their relationship to one another It is also much more This study differs from all other works on the subject by tracing the differences in belief between the two great religions to matters of interpretation rather than substance It is written to introduce both Christians and Moslems to each other s faith without any bias or preconditions or and preconcieved notions The main theme of this work is the relationship of the two great faiths both historically and spiritually The introduction views the Islamic theories of revelation as well as the Christian theory and sets the tone for the study in a genuine ecumenical spirit **The Cross and the Crescent** Richard A. Fletcher,2004 **The Cross and the Crescent** Linus Pierpont Brockett,1877 *The Cross in the Shadow of the Crescent* Erwin W. Lutzer,2013-02-01 Islam is on the rise all over the West including America In this compelling new book bestselling author Erwin Lutzer urges Christians to see this as both an opportunity to share the gospel and a reason for concern We have now reached a tipping point the spread of Islam is rapidly altering the way we live These changes are cause for alarm for they endanger our freedoms of speech and religion At the same time this opens an incredible door of ministry for Christians for Muslims normally do not have access to the gospel in their own lands In *The Cross in the Shadow of the Crescent* readers will discover helpful answers to these questions and more How does Islam s growing influence affect me personally In what ways are our freedoms of speech and religion in danger How can I extend Christ s love to Muslims around me A sensitive responsible and highly informative must read The Cross & the Crescent Jerald Dirks,2008 Drawing on his seminary education and thirty years of interaction with Muslims in America and overseas the author digs deep into the roots of Christianity to bring out obscure information that highlights what was once common between Christianity and Islam **Answering Islam** Norman L. Geisler,Abdul Saleeb,2002-08 Apologetic guide

compares the major tenets of Islam with Christianity **The Cross and the Crescent** ,1929 The Crescent and the Cross Oliver Ramsbotham,Saba Risaluddin,Brian Wicker,Abdel Haleem Harifyah,2016-07-27 This book is the product of dialogue between a group of leading British Muslim and Christian scholars concerned about the alleged danger to the West of Islamic fundamentalism It analyses the ethical and legal principles rooted in both traditions underlying any use of armed force in the modern world After chapters on the history theology and laws of war as seen from both sides the book applies its conclusions to a the 1990 91 Gulf War and b the Bosnian Conflict It concludes that Huntington s Clash of Civilisations thesis is a dangerous myth *The Cross and the Crescent* Malcolm Billings,1987 The Cross, and the Crescent James Beresford,1824 **From the Cross to the Crescent** WILLIAM THOMAS. MARSHALL JR PHD,2019-02-27 While there are stories of Muslims converting to Christianity the opposite is also occurring In his new work on comparative religion *From the Cross to the Crescent* Why Islam is Luring Professing Christians from the Faith author William T Marshall PhD addresses the rapidly growing issue of Christians converting to Islamic theology In Western culture today people of every age race and gender are falling into the deception of the Quran leading them away from the Bible With extensive research and testimonies Marshall sheds light on the spirituality of those who choose Islam Marshall also reveals the vulnerability of cultural Christians who rely upon conservative religious upbringing to determine their faith without a relationship with Christ *From the Cross to the Crescent* encourages believers to understand these two world religions and awaken to the reality of Islam s influence and spread the Gospel through a Christian life of evangelism and apologetics **The Crescent and the Cross ; Or, Romance and Realities of Eastern Travel** Eliot Warburton,1859 *The Cross and the Crescent as Standards in War* James J. Macintyre,2016-12-14 Excerpt from *The Cross and the Crescent as Standards in War* Their Origin Progress and the Abuses of the Cross as Devised and Enforced by the Bishops of Rome Man in the mass is like the atmosphere in its great periodical movements and progressive changes mea sured and certain but in the individual is also like the atmosphere variable and capricious exposed to many impressions and driven to and fro as an impulse is given About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Cross and Crescent Colin Chapman,2003 Are Muslims our neighbors For increasing numbers of Western Christians the answer to that question is yes The crescent an emblem of the Islamic faith recognized throughout the world is gaining prominence in the West As a result we face an ongoing collision of Western and Islamic worldviews We have all witnessed the violence and suspicion that can characterize these collisions But what is the way of the cross How can we Christians greet our neighbors with the love and thoughtful engagement that reflects the character of Christ and the truth of the gospel Out of years of experience in working with students in Egypt Lebanon and Cyprus Colin Chapman presents a valuable overview of everyday Islamic faith and practice He carefully outlines the cultural and doctrinal meeting points and points of departure between Islam and Christianity And he lays the groundwork for us to love Muslims as we love ourselves
