*Research, Education and American Indian Partnerships at the Crow Canyon Archaeological Center* Susan C. Ryan, 2023-08-28 This volume celebrates and examines the Crow Canyon Archaeological Center's past, present and future by providing a backdrop for the not-for-profit's beginnings and highlighting key accomplishments in research, education and American Indian initiatives over the past four decades. Specific themes include Crow Canyon's contributions to projects focused on community and regional settlement patterns, human environment relationships, public education, pedagogy and collaborative partnerships with Indigenous communities. Contributing authors deeply familiar with the center and its surrounding central Mesa Verde region include Crow Canyon researchers, educators and Indigenous scholars inspired by the organization's mission to further develop and share knowledge of the human past for the betterment of societies. *Research, Education and American Indian Partnerships at the Crow Canyon Archaeological Center* guides Southwestern archaeology and public education beyond current practices, particularly regarding Indigenous partnerships, and provides a strategic handbook for readers into and through the mid-twenty-first century.
