Crucified Jesus Is No Stranger, The Sebastian Moore, 2018 An insightful passionate and honest exploration of the religious life a life lived entirely through the filter of the Gospel The Crucified Jesus is No Stranger Sebastian Moore, 1977

A New Awareness Dominic Arcamone, 2024-02-29 A New Awareness is an endeavor of affection and generosity toward Sebastian Moore The book examines his key theological insights and themes over seventy years and proposes that they are still relevant today for the Christian Community He was a theologian and poet He wrote about many theological topics the significance of Jesus the experiences of the disciples and their meaning for us redemption the Trinity sexuality and ecclesiology and original sin But he is mainly known for being the theologian of desire self love to self gift desire is love trying to happen to be myself for another and the insight that there is no more wonderful reality than to be desired by the one you desire Breathing Under Water Richard Rohr, 2016-01-21 We are all addicted in some way When we learn to identify our addiction embrace our brokenness and surrender to God we begin to bring healing to ourselves and our world In *Breathing Under Water* Richard Rohr shows how the gospel principles in the Twelve Steps can free anyone from addiction from an obvious dependence on alcohol or drugs to the more common but less visible addiction that we all have to sin Richard Rohr is one of the greatest discoveries of the Twelve Step program America's most significant and authentic contribution to the history of spirituality Rohr makes a case that the Twelve Steps relate well to Christian teaching and can rescue any of us who are drowning in addiction and might not even realize it and we are all addicted in some way To survive the tidal wave of compulsive behavior and addiction Christians must learn to breathe under water and discover God's love and compassion In this exploration of Twelve Step Spirituality Rohr identifies the core Christian principles in the Twelve Steps connecting them to the Gospels A must read for any person who recognizes the need to go inward on their soul's journey to question what their relationship is with God themselves and others The Cord Rohr is a perfect writer on the subject of the 12 Steps His easy to read book is essentially a commentary on each of the steps with twelve chapters and a postscript that concisely tackles the big religious questions of human suffering suffering with which addicts and their families are intimately acquainted Jesus Rohr answers is no stranger to suffering This is a good book for those in recovery from addiction and those who love them Publishers Weekly Richard Rohr continues to guide us to greater wholeness his books have helped countless souls especially those who struggle with issues of brokenness and seek transformation National Catholic Reporter **Abba's Child** Brennan Manning, 2014-02-27 Many Christians feel broken and angry but don't think they can express these real feelings around others or to God So we put on a mask to hide our identity Feelings of embarrassment and shame make us hide from the One who truly loves us Author Brennan Manning encourages you to let go of this stressful unreal impostor lifestyle and freely accept your identity as a child of God Find the rest that you long for as you grow in character and accept His lordship Includes discussion questions *Things Hidden* Richard Rohr, 2016-05-19

Sacred Scripture and Christian spirituality belong together In this exploration of the central themes of Scripture Richard Rohr transforms the written word discovering in these ancient texts a new and vital meaning relevant and essential to all believers He uncovers what the Bible says about morality power wisdom and the generosity of God in a manner that inspires in us a life changing response Rohr s Christian vision of abundance grace and joy counteracting the scarcity judgement and fear we know in our world has the power to revolutionize how we relate to ourselves and all around us Things Hidden is an invitation of gospel proportion to move on into the life God intends a life of joy and obedience Walter Brueggemann Professor Emeritus of Old Testament at Columbia Theological Seminary **Theological Aesthetics After Von Balthasar** O. V. Bychkov,James Fodor,2008 This collection of essays by distinguished authors explores the present day field of theological aesthetics from von Balthasar s contribution and parallel developments to correctives and alternatives to his approach A tribute to von Balthasar s own project expands into a dialogue with ancient and medieval traditions in search of revelatory aesthetics The contributors outline challenges to his approach including Protestant perspectives and introduce new ways of viewing the field of theological aesthetics which ultimately opens up to the idea of concrete cultural contexts and practical human needs determining the use of the arts and aesthetic sensibilities in theology The Downside Review ,1988 *The Unitarian Review and Religious Magazine* Charles Lowe, Henry Wilder Foote, John Hopkins Morison, Henry H.
