The Crucified Ruler:

Apostle of the Crucified Lord Gorman, Michael, 2017 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul s world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace

The Crucified King Jeremy R. Treat, 2014-05-27 The kingdom of God and the atonement are two of the most important themes in all of Scripture Tragically theologians have often either set the two at odds or focused on one to the complete neglect of the other In *The Crucified King* Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king As Israel s messiah he holds together the kingdom and the cross by bringing God s reign on earth through his atoning death The kingdom is the ultimate goal of the cross and the cross is the means by which the kingdom comes Jesus death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission The cross is the throne from which he rules and establishes his kingdom Using a holistic approach that brings together the insights of biblical and systematic theology this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology
