The Cry And The Covenant:

The Cry and the Covenant Morton Thompson,2024-07-18T00:00:00Z Historical fiction Based on the life of Ignaz Semmelweis an Austrian Hungarian physician known for his research into puerperal fever and his advances in medical hygiene In the novel he struggles to prove to his fellow doctors that if they would only wash their hands they would save the lives of many mothers Semmelweis saw a link between hand washing and disease before the discovery of germs His discovery was ignored by his colleagues to the detriment of their patients **THE PEOPLE OF THE COVENANT THE HISTORY THE SUFFERING AND THE RESISTANCE** DUKE SOUZA, This book offers a profound journey through the spiritual history of the people who entered into a covenant with God Drawing from the key moments of the Holy Scriptures it invites readers to understand the role of faith obedience and divine promise in shaping the identity of the chosen people With a strong theological and spiritual foundation the narrative emphasizes God's faithfulness and the universal call to conversion and mission A compelling reflection on how the story of the covenant is in many ways our own story of hope and redemption
