The Crystal Of Power:

The Dragon King's Obsession Kalenca, One of you three will become the Dragon king s wife said the king Without even knowing it this one sentence would change Charlotte s life forever From a forgotten princess to the wife of the most feared king on earth The dragon king Damien PenDraco He was ruthless he was cold blooded he was a pure dragon with a scary appearance and skin similar to a snake Charlotte was the second daughter of the king Her mother was one of the king s concubines Her father lost his favor towards her mother and her Although Charlotte was a princess she was never treated as one They often got bullied and mistreated by the queen and her daughters When the marriage offer came from king Damien the palace was in shock King Damien used the marriage as an excuse so that he could get his hands on the land where the crystal of power could be found The king couldn t refuse him Neither of his daughters wanted to marry him The marriage proposal was the only way Charlotte could be free In exchange for her mother s divorce from her father and freedom she started her journey to king Damien s castle Everywhere is better than this hell thought Charlotte King Damien was exactly as described a real dragon If you don t want to be my wife you will work as a servant in my castle said Damien looking at Charlotte s rejection No problem said Charlotte When the king learns about Charlotte s immense knowledge of archeology he offered her the freedom she longed for in exchange for her help in finding the crystal of power The two of them agreed and started their journey in finding the crystal power but after finding it king Damien refused to let her go You re mine **The Crystal of Eternity** Seraphim Nightwhisper, The morning sun cast long shadows across the cobblestone streets of Aethermoor as Kira Thornfield hurried through the marketplace her weathered leather satchel bouncing against her hip with each determined step The ancient city buzzed with its usual pre dawn activity merchants setting up their stalls while the sweet aroma of fresh bread mingled with the earthy scent of herbs from the apothecary quarter Yet beneath this veneer of normalcy something felt profoundly wrong Kira paused at the fountain in the central square her reflection rippling in the crystal clear water At nineteen she possessed an otherworldly beauty that seemed almost ethereal with silver hair that caught the light like spun moonbeams and eyes the color of deep amethyst But it was not her appearance that set her apart from the other inhabitants of Aethermoor it was the strange dreams that had plagued her since childhood visions of a great crystal pulsing with inner light calling to her across impossible distances Another restless night came a familiar voice behind her Kira turned to find her childhood friend Marcus approaching his warm brown eyes filled with concern At twenty one Marcus had grown into a skilled blacksmith like his father before him his strong hands bearing the calluses of honest work His sandy hair was already damp with perspiration despite the early hour suggesting he had been at the forge since before sunrise The dreams are getting stronger Kira admitted her voice barely above a whisper I can almost hear it calling to me now even when I m awake The Crystal of Eternity I know it sounds mad but I can feel its presence somewhere out there waiting Those Five Kids Marlon Cozier,2021-11-09 A boy named Jake takes a voyage to a vast forest called Seafall Forest
