The Custer Legacy:

The Custer Legacy ,1997 **The Custer Legacy** Bruce T. Clark,1997-05 Epic in scope this historical mystery takes readers on an exciting five century adventure to recover an ancient miracle Aztec medical cure and the 18 tons of gold lost after Custer s defeat at the Little Bighorn Boots and Saddles, Tenting on the Plains & Following the Guidon Elizabeth Bacon Custer,2022-11-13 In *Boots and Saddles Tenting on the Plains* it is a window into an era that shaped the nation

The Legacy of Custer's 7th U.S. Cavalry in Korea Edward L. Daily,1990 This is the story of an ordeal sustained by the flesh and blood of United Nations soldiers American Soldiers Republic of Korea soldiers and the innocent and defenseless refugees Superior photos maps casualty list military symbols weapons glossary and the roster of the 7th US Cavalry Association *Mythologizing the Past* Sean Rafferty,2024-12-27 This book examines the origins development and current state of myths surrounding lost civilizations and more importantly how these myths contribute to modern political ideologies By examining the myths legends and scientific record concerning Atlantis the Vikings the Anglo Saxons and the Celts pre Contact North America and the Aryans this book reveals the faulty science logical fallacies anti intellectualism and outright racism motivating the recurrent interest in them It delineates the development of pseudohistory from its allegorical Classical origins through renaissance and enlightenment literature to nineteenth century popular writing and finally to modern pseudoscience It describes how at every stage pseudohistory has been used to reinforce and reproduce dominant ideologies by marginalizing subordinate groups in favor of social elites This book is ideal not only for the general reader interested in world history but also for courses across the humanities including pseudoarcheology historiographic and scientific methods and classics Where Custer Fell James S. Brust,Brian C. Pohanka,Sandy Barnard,2007-03-01 Historical and contemporary photographs accompany a narrative reflection on Lieutenant Colonel George Armstrong Custer s Last Stand at the Battle of Little Bighorn which includes personal accounts of battle veterans The Aftermath of the Battle of Little Bighorn W.A. Wallace,2024-03-31 The second volume Wallace s work seeks to shine light on the cover up of the murder conspiracy of Generals Sheridan and Sherman to kill G A Custer as well as go over the aftermath of the battle itself and the resulting Reno Court of Inquiry Lt Col George Armstrong Custer died at the hands of Native Americans by the banks of the Little Bighorn in Montana 25th June 1876 This is an established undisputed fact What is disputed is the real reason that he died So forget all you have been led to believe and begin to learn the truth George Custer was anathema to his superiors but the populace loved him If he were to stand for president in the coming elections there was a strong possibility that he would win Neither William T Sherman nor Little Phil Sheridan could allow that to happen Thus they conspired to put Custer in a position in the field where the opposing Sioux and Cheyenne were stronger and could deliver the Coup de Gras This is the second of two books dealing with the circumstances that arose leading the Native Americans on a collision course with the US Army that fateful day and the death of a national hero Subsequently the conspiracy is uncovered and shows how these men used their

powers and positions and so deftly covered their tracks Perhaps but not quite 30 years of diligent research has uncovered the truth in this groundbreaking history Unmissable and shocking dare you not read this surprising revelation *Archaeology, History, and Custer's Last Battle* Richard A. Fox,1997-09-01 By revealing patterns found in artifacts unearthed and adding Indian accounts Fox shows how Custer's last battle was fought The new findings stand in bold contrast to conventional views about the battle Custer as Fox shows maintained his offensive until late in the fight Then the end came suddenly unexpectedly and without the gallant last stand myth The DVD complements and updates Fox's landmark book *Archaeology History and Custer's Last Battle* **Sharing the Dream** Dominic Pulera,2004-10-20 White males 100 million strong constitute approximately 35 percent of the U S population a percentage that declines slightly each year They matter very much to discussions of race ethnicity and gender in the US due to their numbers and the enormous influence they have wielded and continue to wield In this highly original and readable work Dominic Pulera offers the broadest and most balanced treatment of the white male experience in America to date He contends that virtually all white males are sharing the American dream with women and people of color in response to the nation's changing demographics and the multicultural mindset that informs policies and attitudes in our nation Some white males are sharing the dream voluntarily others are doing so involuntarily The author also explores the heterogeneity of white male America taking into account such factors as age ethnicity ideology social class regional background occupational status and sexual orientation This timely work relies on a broad range of sources including extensive field research and hundreds of interviews along with the best primary and secondary sources available It includes original historical treatments discussion of contemporary dynamics and comparative material that takes into account the experiences of peoples in other countries In doing so Pulera places white males in the context of America's ongoing transition from a predominantly white country to one where people of color are increasingly numerous and consequently becoming more visible Dominic J Pulera is an independent scholar who lectures and writes about issues related to race ethnicity and gender In the wake of his first book *Visible Differences Why Race Will Matter to Americans in the Twenty First Century* he spoke at 13 universities on 4 continents and appeared on a one hour segment of Book TV C Span He has been a frequent guest on radio and television programs in Atlanta Baltimore Chicago Detroit Los Angeles Philadelphia and Washington D C **Landmarks of the Evangelical Association** Sylvanus Charles Breyfogel,1888 Year by year summary of conference proceedings and important events in the history of the Evangelical Association of North America from 1800 through 1887 *Miscellaneous National Park Legislation* United States.
