The Cosmic Heart:

Human Heart, Cosmic Heart Thomas Cowan, 2016-10-22 This book is life changing for those trying to understand their own bodies or those of loved ones and it's truly transformative in the hands of medical professionals especially young doctors Foreword Reviews Thomas Cowan was a 20 year old Duke grad bright skeptical and already disillusioned with industrial capitalism when he joined the Peace Corps in the mid 1970s for a two year tour in Swaziland There he encountered the work of Rudolf Steiner and Weston A Price two men whose ideas would fascinate and challenge him for decades to come Both drawn to the art of healing and repelled by the way medicine was and continues to be practiced in the United States Cowan returned from Swaziland went to medical school and established a practice in New Hampshire and later San Francisco For years as he raised his three children suffered the setback of divorce and struggled with a heart condition he remained intrigued by the work of Price and Steiner and in particular with Steiner's provocative claim that the heart is not a pump Determined to practice medicine in a way that promoted healing rather than compounded ailments Cowan dedicated himself to understanding whether Steiner's claim could possibly be true And if Steiner was correct what then is the heart What is its true role in the human body In this deeply personal rigorous and riveting account Dr Cowan offers up a daring claim Not only was Steiner correct that the heart is not a pump but our understanding of heart disease with its origins in the blood vessels is completely wrong And this gross misunderstanding with its attendant medications and risky surgeries is the reason heart disease remains the most common cause of death worldwide In *Human Heart Cosmic Heart* Dr Thomas Cowan presents a new way of understanding the body's most central organ He offers a new look at what it means to be human and how we can best care for ourselves and one another This book deserves to be in everyone's library It's loaded with great information and it can save your life or the life of someone you love Dr Joseph Mercola [The Cosmic Heart](#) Mihoko Knight Suzuki, 2003

The Cosmic Heart Collection M. J. Dove, Infinite Ai, 2025-09 **Parallel Hearts** OJ LEIGH, 2023-09-10 In a world split into two parallel dimensions where reality unfolds differently on each side of the cosmic divide an extraordinary phenomenon defies all logic and understanding Two individuals leading vastly different lives in their separate worlds discover themselves bound together by an inexplicable telepathic connection As if cosmic threads interweave their destinies they find themselves experiencing each other's joys and sorrows with startling clarity and intensity In *Parallel Hearts* we embark on a journey that transcends the boundaries of space and time exploring the profound connection that unites these two souls Through their telepathic bond they forge a bridge between disparate worlds bridging gaps between civilizations and tearing down the walls of ignorance that separate them Meet our protagonists one a denizen of a technologically advanced metropolis bustling with innovation and ambition while the other resides in a world steeped in ancient mysticism where nature and magic intertwine in a delicate dance As they navigate through the kaleidoscope of experiences that intertwine their lives they must navigate the joys and sorrows the triumphs and trials of each other's realities In a captivating exploration of their parallel lives our

characters embark on a quest of self discovery and revelation As they share each other s emotions and moments they begin to question the very fabric of existence wondering whether the universe has conspired to unite them for a higher purpose United by the heart yet separated by the dimensions our protagonists set out on a path to find one another But their worlds are not without obstacles They face unique challenges both within themselves and from external forces that hinder their pursuit From unforeseen dangers to internal conflicts they must learn to navigate the complexities of their parallel realities to unite their hearts into one As they seek answers to the origin of their extraordinary connection they encounter ancient prophecies hidden knowledge and allies from both dimensions Together they strive to understand the true significance of their bond and the power it holds in shaping the fate of their universes Join us in this enthralling tale of love sacrifice and unyielding determination as we traverse the boundaries between parallel worlds Through the joys and sorrows of our characters we shall witness the essence of shared humanity transcending the confines of space and time For in the confluence of their hearts lies the hope to bring harmony to two disparate dimensions and forge a new beginning for all
