The Cricket Cage:

The Cricket Cage R. H. Shimer, 1975 The Cricket in Times Square George Selden, 2022-05-31 An updated version of the timeless children's classic featuring a business savvy mouse a kind alley cat and a talented country cricket featuring a new foreword and revisions by YA author Stacey Lee Tucker is a streetwise city mouse He thought he'd seen it all But he's never met a cricket before which really isn't surprising because along with his friend Harry Cat Tucker lives in the very heart of New York City the Times Square subway station Chester Cricket never intended to leave his Connecticut meadow He'd be there still if he hadn't followed the entrancing aroma of liverwurst right into someone's picnic basket Now like any tourist in the city he wants to look around And he could not have found two better guides and friends than Tucker and Harry The trio have many adventures from taking in the sights and sounds of Broadway to escaping a smoky fire Chester makes a third friend too It is a boy Mario who rescues Chester from a dusty corner of the subway station and brings him to live in the safety of his parents newsstand He hopes at first to keep Chester as a pet but Mario soon understands that the cricket is more than that Because Chester has a hidden talent and no one not even Chester himself realizes that the little country cricket may just be able to teach even the toughest New Yorkers a thing or two The Cricket in Times Square is George Selden at his best and the new illustrations and interior images by Garth Williams make this edition a special treat *The Cricket Cage* Ruth H. Jackson, 2021-11-01 *A Sportsman's Journey* lyrically and spiritually connects readers with the natural world Donald C Jackson explores the rhythms and ways of hunting and fishing particularly in America's Deep South and in so doing helps readers understand and find meaning in why hunters and anglers venture far afield Journeying alongside the author readers will savor the magic of sunrises and the mystery of twilight Hearts will quicken as deer drift from shadows and ducks circle a

woodland pond The ocean will challenge them as they fight large fish from the deck of a wave tossed boat far out at sea Restless winds will whisper messages during a spring squirrel hunt on a Mississippi farm Bird dogs old guns old friends and times shared with loved ones will remind anglers and hunters of those special shared memories Ancient forests and powerful rivers remind us of our fragile ephemeral state Quail hunts strengthen cherished relationships with companions Encounters with a mountain man will take us into a world thought to have vanished generations ago A gathering of anglers on a Gulf Coast fishing pier at night reminds us of those hidden communities that exist around us and are often unrecognized or perhaps even unknown Jackson reveals how all of us depend on the natural world and share very personal interactions with it and with each other This book reminds us that rediscovering resurrecting and celebrating these primal linkages are the real reasons we explore the world
