The Crime Tsar:

Mask of the Crime Czar V. Miller, 2014-12-08 It is late Winter in the year of 1990 Jason Parks is an ex NYPD Detective turned Private Investigator and he s also a Drunk There s nothing new about this combination it happens all too often in detective stories The difference here is that through a billion to one accident he has acquired certain abilities The accident opens up a whole new set of frustrations and tests of his resolve while dragging his psyche nearly to the breaking point Coping with his altered life while wrestling with the dilemma of whether he should use his abilities to assist local law enforcement or mind his own business fosters an internal debate that has him questioning just about every move he makes There is also the local media that can t make up its collective mind if he is a champion of Good or a force for Evil The trail to catch the Crime Czar in his quest to take over and run the Mobs in the city takes Jason from Philadelphia to New York City where he must dispose of the demons of his past there then back to the City of Brotherly Love to forestall a bloodbath between the local Mob Boss and his challenger The trail of deceit and betrayal suspicion and lies takes Jason from the skies to the ground and deep under it Will Jason overcome the frustration accusations mistrust and his own internal strife and self doubt or will he turn his back wipe his hands clean of it all and walk away Even he is not sure of the outcome **The Crime Czar** Anthony P. Dunbar, 1998 Gumbo of Murder It s a city as friendly as a glad handing attorney where the bending Mississippi carves a channel six hundred feet deep the air smells of chicory and shell casings litter sidewalks beneath the live oak trees And somewhere between the levee and Lake Pontchartrain are the secrets that litter Tubby Dubonnet s life secrets of corruption and murder A lawyer who d rather eat drink and swap stories than get caught in court Tubby can t forget the last words that escaped an old friend s lips and he can t get out of the way of a political campaign that s turning rough Obsessed with the idea that one man a shadowy crime boss may be pulling the strings that have cost good people their lives Tubby is entering into a test of courage with the most violent men in New Orleans And if that weren t dangerous enough Tubby has just picked up the worst ally he could ever find a beautiful prostitute who is gunning for revenge **The Crime Tsar** Nichola McAuliffe, 2014-08-23 Police Chief Constable Tom Shackleton is ambitious to reach the top of his profession but no one is more ambitious for his future than his wife Jenni Shackleton looks every inch the consort to a powerful man Striking and groomed to gleam in any crowd she is connected through her own job in journalism to the right people to further Tom s career or so she thinks She is also unscrupulous Jenni Shackleton will stop at nothing to get what she wants Next door and down on her luck is Lucy whose husband Gary is physically failing with MS so that she finds it necessary to act as housekeeper to Jenni formerly just a friend but now also an employer who somehow can t help patronising Lucy for wielding the household duster What Jenni is too vain to see is that her comparatively frumpish housekeeper friend has everything that her husband actually finds desirable in a woman In Jenni s view of her horizon the only blot is Tom s natural rival Geoff Carter a man with just too much Oxbridge polish and connection with the government to allow her to sleep well at night But

as Jenni soon discovers there is a drug for everything Threads of classical tragedy run through this modern drama of power cunning sex and ambition Nichola McAuliffe directs it all with style skill and at a thunderous pace **For God and the Czar!** Joyce Emerson Preston Muddock,1892 *The Borderland of Czar and Kaiser* Poultney Bigelow,1894 **The story of the great czar, Peter of Russia** James Francis Cobb,1874 **A Tsar's Gratitude** Frederick Whishaw,1897 **Worthies of the world, a series of historical and critical sketches, ed. by H.W. Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,1893 *The Tsar's Viceroy* Richard G. Robbins,1987 Wrestling with a would be assassin inspecting the toilets in a rural prison responding to a challenge from his mistress s enraged husband all these matters could be part of a Russian provincial governor s day More often he was entangled in administrative routine troubled by a steady flow of orders from St Petersburg and tormented by complaints from local powerbrokers What was His Excellency the tsar s viceroy a bureaucratic flunky or a harassed politician Drawing on a broad range of materials in Soviet and Western archives Richard Robbins here gives us a richly textured portrait of the Russian provincial governors in the last years of the old regime He focuses on the governors as people and working officials emphasizing their relations with government bureaucrats representatives of the privileged classes peasants and proletarians Robbins uses anecdotal evidence to good effect in drawing a vivid picture of provincial life at the turn of the century He persuades us that the popular image etched by Gogol and Dostoyevsky of the governor as incompetent and corrupt is in need of revision With convincing detail he demonstrates that the viceroys of the late imperial period were increasingly professional and some of them proved to be remarkably skilled politicians **American Illustrated Magazine** ,1880 Frank Leslie's Popular Monthly Frank Leslie,1880
