The Preventive Action Handbook

Denise Robitaille, 2003-02 How do we harness the elusive concept of preventive action? People often think of preventive action as the extra thing you do after you've finished corrective action like an extra coat of sealant. Actually preventive actions are the initiatives you establish to minimize the number of corrective actions you conduct. The Preventive Action Handbook is a great guide for defining the process writing the procedure establishing criteria developing plans and reporting back to management. It will help you benefit from a fundamental management tool that has a direct relationship to your organization's bottom line. The Preventive Action Handbook will help you make your preventive action process more organized more efficient and more productive. The book's basic precepts hold true for any size organization. It can be used by quality managers ISO 9000 management representatives production supervisors production group leaders customer service managers quality technicians or anyone else involved in corrective action. The book includes sample forms that guide you through the corrective action process in a logical and straightforward manner. The forms may be photocopied. They include Preventive Action Organizer Worksheet Matrix of Preventive Actions Preventive Action Initiative Preventive Action Plan.

The Corrective Action Handbook, Second Edition Denise E. Robitaille, 2001-12 If the term management review conjures up visions of a wasteful and burdensome ordeal. The Management Review Handbook is just what you need to add value to your review process. The Management Review Handbook provides managers with a simple explanation of how to effectively document implement and maintain a management review process. Denise Robitaille's book is an excellent guide to management review for anyone involved in the process. The book's precepts hold true for any size company across a wide spectrum of industries and organizations. The tools found in the handbook can be used by top management ISO 9001 coordinators production supervisors customer service managers quality technicians or anyone else involved in the management review process. Plus the book includes sample forms that aid in the management review process. The forms may be photocopied.
