emotional burdens alone Hemphill demonstrates a future in which healing is done in community weaving together stories from their own experience as a trauma survivor with clinical accounts and lessons learned from their time as a social movement architect In this life affirming framework for the way forward Hemphill shows us how to heal our bodies minds and souls to develop the interpersonal skills necessary to break down the doors of disconnection and take the necessary risks to reshape our world towards justice      **Can You Hear Me Now** Mary Elizabeth Dennison,      **The adult** ,1898
