The Cry of a Child in the Nocturnal Darkness Aggrey Emile A. Coudakpo, 2012-11 The story of a child who cries for help in the dark in hope to find a way to the light without knowing that he is part of that darkness and light himself The child was born between two tribes darkness tribe and lightning tribe His mother Adjo wandered off from the darkness tribe to meet her lover who was the child's father Kafui from the lightning tribe They both knew their union could be fatal because of the differences of their tribes but their love blinded them to know how different they were their inevitable love was rejected by both the darkness tribe and lightning tribe Worried of the outcome of their forbidden love they suddenly got scared and fled from the mistake they had made The two lovers realized how their difference could not match they both rejoined their tribes in fear to meet again but it was too late because the seed of their love already began to sprout into an unborn child From their inevitable love came a newborn child who was a combination of the two tribes of darkness and lightning which the two tribes decided to eliminate There was an elder woman in the darkness tribe named Pauline who seemed to be the child's grandmother and who had supernatural powers that could balance both darkness and lightning The elder woman then secretly took the child for fear that both the lightning and darkness tribes could destroy the child and that the mother could not be able to balance the two combinations of darkness and lightning within the child and protect him at the same time The elder woman Pauline escaped to many different tribes to raise the child she named the child Komla meaning the birth of two strong powers Growing up Komla realized he was part of the darkness and lightning who rejected him and that he lost the only spark of light that cared and protected him He felt lonely and out of blame he projected himself into a nocturnal darkness      Sisters of the Sky Lana Kortchik, 2023-08-09 A captivating story wonderfully fleshed out characters and relationships and beautiful writing make this a must read NetGalley reviewer      **The Convent** Panos Karnezis, 2013-07-31

Those whom God wishes to destroy he first makes mad The convent of Our Lady of Mercy stands alone in an uninhabited part of the Spanish sierra Its inhabitants are devoted to God to solitude and silence six women cut off from the world they ve chosen to leave behind Everything changes on the day that a suitcase punctured with air holes is discovered on the convent steps Soon Mother Superior Maria Ines finds that the box and its contents are to have consequences beyond her imagining and that even in her carefully protected sanctuary she is unable to keep the world or her past at bay *The Story of Metlakahtla* Sir Henry Solomon Wellcome,1887 **The Harrington Girls; Or, Faith and Patience. A Tale** Sophy Winthrop,1880 **"Our Girls" at Castlewood** M. L. Wilder,1887 *Journey in Shadows and Sunshine* Phyllis Miller Taylor,2012-10 This is the story of the Millen family circa 1931 to 1945 The father is David and the mother is Eleanor They have two daughters hyperactive Grace younger daughter psychic Ann and an infant son Gilbert who died when he was eight months old After his son s death David became increasingly abusive to Eleanor on Friday She rationalized his abuse as a result of his grief over Gilbert s passing on Friday As the years passed David s abuse became extreme When the girls were in their early teens he struck Eleanor on the jaw and for the first time he knocked her unconscious Grace ministered to her mother but Ann stood toe to toe with her father refusing to let him strike her mother again Her ultimate reaction surprised shamed and sobered him He then realized it was time to reveal to his family the festering force that had been fueling his rage His explanation for his ten year reign of terror was stunning and almost unbelievable *The Churchman* ,1895 The Cegiha Language James Owen Dorsey,1890 *The Schoolmaster's Stories, for Boys and Girls* Edward Eggleston,1874 **Our Boys and Girls** Oliver Optic,1873 Girls' Book of Treasures ,1894 **Honest Owen and His Blind Sister. [With Illustrations.]** Owen,1873 *Life and Light for Woman* ,1894 Insights Into Gender Equity, Equality and Power Relations in Sub-saharan Africa Mansah Prah,2013 Since gender entered the development discourse in the Seventies African countries have increasingly taken the concept on board in policy and practice This concern may be due to either one or a combination of the following factors the ideological positioning of African countries demands by their donors and development partners and demands by organised local groups and NGOs Gender in the development discourse ought to transform power relations between men and women and shift them to social relations that reflect their equal access to productive resources opportunities and social and material benefits The result of such actions should be an achievement of comparable status of women and men This volume initiated by OSSREA seeks to examine in more depth issues regarding the gender power imbalance in sub Saharan African countries with a specific focus on the eastern and southern African regions The chapters in this book present research that examines and analyses the effectiveness and efficiency of gender mainstreaming policies strategies and projects developed and implemented by national and international actors The themes inter weave with each other although they address gender issues in specific countries and specific contexts This can be explained by the shared colonial and post colonial heritage of African countries It is useful therefore to view the structure of

the book as a spiral of inter connected issues that address similar themes approaching them from different levels Purely for ease of reading the contributions have been organised into three parts with over arching themes that at first glance may seem not to fit well together A theme that runs through all the chapters is the persistence of patriarchal values and attitudes in Africa and its constraining effect on the achievement of gender equity and equality The Complete Poetical Works John Greenleaf Whittier,1884 **Mildred's Boys and Girls** Martha Finley,1886 The Landreths and their relatives survive the horrors of the civil war **St. Nicholas** Mary Mapes Dodge,1879
