*The Cuckoos of Batch Magna* Peter Maughan,2019 When Sir Humphrey Strange squire of Batch Magna departs this world his estate passes to distant relative Humph a short order cook from the Bronx Humph is persuaded to make a killing by turning the sleepy backwater into a theme park image of rural England Will the long time residents of Batch Magna manage to put a stop to his plans

**Cuckoos of Batch Magna** Peter Maughan,2004-03-01 When Sir Humphrey Myles Pinkerton Strange huntin shootin and fishin Squire of Batch Magna goes to his reward doubtless to find God as true blue British as his more recent but equally worthy ancestors his rambling but rotting estate passes to distant relative Humph a hapless dollar doodler in New York With in his eyes Humph decides to make a killing by transforming the sleepy backwater of Batch Magna into a theme park image of rural England a vacation paradise for free spending US millionaires But while the village s threadbare businessmen see the plan as a windfall the tenants of the estate s dilapidated houseboats are above any consideration of filthy lucre and stand their ground for tradition s sake and because they consider eviction notices not to be cricket Each disgruntled faction sees the other as the unwelcome cuckoo chick in the family nest So lead by randy pulp crime writer Phineas Cook and Lt Commander James Cunningham DSO DSC and Bar RN ret a man with a glass eye to suit every occasion and all painted with naval battle scenes where the Union Jack flies triumphant the motley crew takes on Wall Street broadside to broadside

*Sir Humphrey of Batch Hall* Peter Maughan,2019-05-30 Welcome to Batch Magna a place where anything might happen And often does When the old squire of Batch Magna died the life of distant relative Humphrey an amiable overweight short order cook from the Bronx turned into a movie Now as Sir Humphrey he has acquired not only a new title but also a new love the Honourable Clementine Wroxley He and Clem plan to marry settle into Batch Hall and begin a new life together Their finances at this early stage rest on the estate s shooting and fishing stepping stones to a more secure future But one day a cold wind from beyond their valley visits Batch Magna in the shape of badger baiters discovered in Cutterbach Wood They are routed but their defeat entails such disaster that Humphrey and Clem are driven to the wall left with no way out but to sell the estate and their future along with it And then Miss Wyndham village spinster and amateur sleuth rides to the rescue on the 49 bus What readers are saying about The Batch Magna Chronicles series An enchanting mixture of The Wind in The Willows and The Darling Buds of May An England that doesn t exist but surely should Reading this book was like sitting down for a nice long chat with an old friend I loved reading the Welsh village descriptions it felt like coming home I eagerly await the next instalment of the Batch Magna crew I first got this book out of the local library and then brought a copy I wanted to read it again and again It s a treasure a smashing read funny and beautifully written These books are such fun darkly comic and full of great characters Batch Magna is a place I would love to find and the river sounds idyllic Hurrah for Batch Magna Humphrey and friends I loved this book It s lyrical and very amusing with all the charm of an old Ealing comedy More please Mr Maughan What an amazing writer I have never found any descriptive writing that has

gripped me so much before A thoroughly enjoyable read Is there another Batch Magna book on the way please Such a wonderfully descriptive bucolic and warmly human story with echoes of the Darling Buds of May A wonderful funny well crafted escape from everyday life If you love writing that absorbs you into the landscape you will love this book Every sense was satisfied with the author s beautiful descriptions of the Marches Escape from the tarmac concrete and relentlessness of life with this stunning book Thank you Mr Maughan I absolutely loved this book and all the characters became so real to me I just couldn t put it down

**Love and Miss Harris** Peter Maughan,2021-05-06 Titus Llewellyn Gwynne actor manager of the Red Lion Theatre has lost a backer who was going to fund a theatrical tour when unexpected salvation appears Their home theatre in the East End of London having been bombed during the war The Red Lion Touring Company embarks on a tour of Britain to take a play written by their new benefactress into the provinces As they make their vagabond singing way they remain unaware that they leave behind in London a man consumed with thoughts of revenge Revenge which follows them obsessively from town to town ending in its final act before the last curtain This charming series transports the reader to a lost post war world of touring rep theatre and once grand people who have fallen on harder times smoggy streets and shared bonhomie over a steaming kettle

**Clouds in a Summer Sky** Peter Maughan,2019-07-25 Welcome to Batch Magna a place where anything might happen And often does Life in an old steam boat deep in the Welsh Borders holds numerous charms but the Commander s wife Priny is suffering from arthritis a condition not at all improved by their water based lifestyle The couple take up an offer from Humphrey the squire of Batch Hall of a straight swap their boat the Batch Castle for one of the Masters Cottages facing their beloved river The Castle is restored to river worthiness and starts plying successfully as the Cluny Steamboat Company to Shrewsbury and back As a result it takes a good deal of profit away from a taxi firm in a local border town much to the displeasure of the firm s English owner Sidney Acton Enlisting the aid of two corrupt Welsh councillors Acton plots against the new venture Only time will tell if his sabotage attempts will bear fruit or blow up in his face What readers are saying about The Batch Magna Chronicles series An enchanting mixture of The Wind in The Willows and The Darling Buds of May An England that doesn t exist but surely should Reading this book was like sitting down for a nice long chat with an old friend I loved reading the Welsh village descriptions it felt like coming home I eagerly await the next instalment of the Batch Magna crew I first got this book out of the local library and then brought a copy I wanted to read it again and again It s a treasure a smashing read funny and beautifully written These books are such fun darkly comic and full of great characters Batch Magna is a place I would love to find and the river sounds idyllic Hurrah for Batch Magna Humphrey and friends I loved this book It s lyrical and very amusing with all the charm of an old Ealing comedy More please Mr Maughan What an amazing writer I have never found any descriptive writing that has gripped me so much before A thoroughly enjoyable read Is there another Batch Magna book on the way please Such a wonderfully descriptive bucolic and warmly human story with echoes of the Darling Buds of May A wonderful funny well crafted escape from
