The Critical Reception of Edith Wharton Helen Killoran,2001 Ironically now that she is becoming

recognized as a Modernist by some and as perhaps the greatest American writer of her generation the criticism often obfuscates more than it reveals The reasons reside in critics loyalties to various theoretical approaches the objectivity of which are often compromised by political hopes This volume not only traces and analyzes the development of Whartonian literary criticism in its historical and political contexts but also allows Edith Wharton herself a literary critic to respond to various concepts through the author s deductions and extrapolations from Wharton s own words

**The Custom of the Country (1913). By: Edith Wharton** Edith Wharton,2017-01-11 The Custom of the Country is a 1913 novel by Edith Wharton

It tells the story of Undine Spragg a Midwestern girl who attempts to ascend in New York City society The Spraggs a family of midwesterners from the fictional city of Apex who have made money through somewhat shady financial dealings arrive in New York City at the prompting of their beautiful ambitious but socially naive daughter Undine She marries Ralph Marvell a member of an old New York family that no longer enjoys significant wealth Before her wedding Undine encounters an acquaintance from Apex named Elmer Moffatt a character with a genuine disdain for religious piety and social cant as the scholar Elaine Showalter observes Undine begs him not to do anything that will endanger her wedding to Ralph Elmer agrees Although Ralph dotes on Undine his finances do not permit the extravagant lifestyle Undine desires and she feels that her in laws scorn her When she becomes pregnant she is disconsolate and she neglects her son Paul after he is born Alone in Europe Undine begins an affair with the nouveau riche Peter Van Degen who is married to Ralph s cousin Clare She then divorces Ralph in the hope of marrying Peter but this does not work out Peter seems to want nothing more to do with Undine and Clare will not grant him a divorce anyway As a divorcee Undine loses her high position in society and spends a few years living in North Dakota New York and Paris scheming to scramble up the social ladder again In Paris a French count Raymond de Chelles falls in love with Undine They desire to get married but as a Catholic Raymond cannot marry a divorcee To procure enough money to bribe the Pope to annul Undine s previous marriage Undine blackmails Ralph Having been awarded custody of their son but allowing him to live with Ralph it was inconvenient for her to raise him in Europe she

demands that the boy be sent to her It is clear that she will let him remain with Ralph only if he sends her a large sum of money Ralph does not have sufficient funds of his own so he borrows money from friends and family and invests it in one of Elmer Moffatt's business deals The deal does not go through in time to meet Undine's deadline and Moffat also informs Ralph that he had once eloped with Undine and then was divorced from her the secret she feared that New York society would discover Shocked and also distraught at the thought of losing his son Ralph commits suicide Undine is able to marry Raymond as a widow though this would not be possible if Raymond knew of her first marriage to Moffat Undine is soon dissatisfied with Raymond too The de Chelles are hidebound aristocrats their wealth tied up in land and art and antiques that they will not consider selling and Undine cannot adjust to the staid customs of upper class French society She also resents having to spend most of her time in the country because her husband cannot pay for expensive stays entertainment and shopping trips in Paris Ultimately she divorces Raymond in order to remarry Elmer Moffatt who by now has made a fortune Now married to the crass midwestern businessman who was best suited to her in the first place Undine finally has everything she ever desired Still it is clear that she wants even more in the last paragraph of the novel she imagines what it would be like to be an ambassador's wife a position closed to her owing to her divorces Edith Wharton born Edith Newbold Jones January 24 1862 August 11 1937 was a Pulitzer Prize winning American novelist short story writer and designer She was nominated for the Nobel Prize in Literature in 1927 1928 and 1930 Wharton combined her insider's view of America's privileged classes with a brilliant natural wit to write humorous incisive novels and short stories of social and psychological insight *The Custom of the Country* John Fletcher, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *The Custom of the Country* Edith Wharton, 2003 Edith Wharton tells the story of Undine Spragg a girl from a Midwestern town with unquenchable social aspirations Though Undine is narcissistic pampered and incredibly selfish she is a beguiling heroine whose marital initiation into New York high society from its trade wealthy fringes is only the beginning of her relentless ambitions **The Farmer's Magazine**, 1849 Edith Wharton, Willa Cather, and the Place of Culture Julie Olin-Ammentorp, 2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton's *The House of Mirth* *Ethan Frome* and *The Age of Innocence* and Cather's *O Pioneers!* *My Ántonia* and *Death Comes for the Archbishop* Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and

aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States *Edith Wharton's The Custom of the Country* Laura Rattray, 2015-10-06 Bringing together leading Wharton scholars from Europe and North America this volume offers the first ever collection of essays on Edith Wharton's 1913 tour de force *The Custom of the Country*
