E. Martin, 1992 The time is the mid 1890s The setting a small outback town Harry Ford the postmaster is opening other people s mail They say nothing happens in small towns but there s plenty to set tongues wagging in this neighbourhood of sinners adultery blackmail disappearances poisonings And then the Great Boldini comes to town The Wakefield Crime Classics series revives forgotten or neglected gems of crime and mystery fiction by Australian authors Many of the writers have established international reputations but are little known in Australia The Wakefield Crime Classics series is marvellous a wonderful collection of writing that should not have been overlooked in this country in the first place Terry O Connor Courier Mail *Water Never Dies* Harry Chong, 2025-10-22 From the era of the Titanic and beyond the Moon Landing two soulmates journey through the greatest moments in time reincarnating and living in different eras of history given the impossible task of staying in love Fighting and dying dying and being born again Sapphira and Ezekiel struggle to be together and survive the absolute madness of the world Never Die Rob J. Hayes, 2019-01-29 Ein is on a mission from God A God of Death Time is up for the Emperor of Ten Kings and it falls to a murdered eight year old boy to render the judgement of a God Ein knows he can t do it alone but the empire is rife with heroes The only problem in order to serve they must first die Ein has four legendary heroes in mind names from story books read to him by his father Now he must find them and kill them so he can bring them back to fight the Reaper s war **Endless Punishment** Thomas Jefferson Sawyer, 1879 **A Consuming Passion** Christopher M. Date, Ron Highfield, 2015-10-13 This diverse collection of essays in honor of Edward William Fudge explores the topics of hell and immortality for which Fudge has been widely known through his magnum opus *The Fire That Consumes* Most Christians believe people will live and suffer in hell forever but Fudge defends a view known historically as conditional immortality He and a growing minority of Christians believe God will grant immortality only to those who meet the condition of being united

with Christ on the Last Day while those who do not will perish forever Although Christians sharing Fudge's view have defended it both before and after him conditionalists today still point to *The Fire That Consumes* as the seminal treatment of the topic In July 2014 Christians from around the world gathered at the inaugural Rethinking Hell conference to celebrate Fudge's life and work and to discuss the nature of hell in an open and respectful forum This volume contains most of the essays presented at that conference and several others volunteered by conditionalists since then as a gift to Fudge for the tremendous impact he has had on them and for the continued work he does for God's kingdom
