Dialogue: The Bible, Science, and Folk Traditions Jan G. van der Watt,R. Alan Culpepper,2015-11-02 This book is about  
creation stories in dialogue not only between different religious views but also between current day scientific perspectives  
International specialists like Alan Culpepper David Christian John Haught Randall Zachman Ellen van Wolde from various  
disciplines are reflecting on the interface between science and religion relating questions of creation and origin This multi  
disciplinary discussion by some of the leading exponents in this field makes the book unique not only in its depth of  
discussion but also in its wide ranging interdisciplinary discussion The point of departure of all the contributions is the  
prestige lecture by Alan Culpepper where he argues for bringing Biblical material into discussion with modern scientific
