Aberbach, 2016-09-13 Nationalism has given the world a genre of poetry bright with ideals of justice freedom and the brotherhood of man but also at times burning with humiliation and grievance hatred and lust for revenge driving human kind as the Austrian poet Grillparzer put it From humanity via nationality to bestiality National Poetry Empires and War considers national poetry and its glorification of war from ancient to modern times in a series of historical social and political perspectives Starting with the Hebrew Bible and Homer and moving through the Crusades and examples of subsequent empires this book has much on pre modern national poetry but focuses chiefly on post 1789 poetry which emerged from the weakening and collapse of empires as the idealistic liberalism of nationalism in the age of Byron Whitman D Annunzio Yeats Bialik and Kipling was replaced by darker purposes culminating in World War I and the rise of fascism Many national poets are the subject of countless critical and biographical studies but this book aims to give a panoramic view of national poetry as a whole It will be of great interest to any scholars of nationalism Jewish Studies history comparative literature and general cultural studies Warfare and Poetry in the Middle East Hugh Kennedy, 2013-10-03 Part of the rich legacy of the Middle

East is a poetic record stretching back five millennia This unparalleled repository of knowledge across different languages cultures and religions allows us to examine continuity and change in human expression from the beginnings of writing to the present day In Warfare and Poetry in the Middle East leading scholars draw upon this legacy to explore the ways in which poets from the third millennium bc to the present day have responded to effects of war The contributors deal with material in a wide variety of languages including Sumerian Hittite Akkadian biblical and modern Hebrew and classical and contemporary Arabic and range from the Sumerian lament on the destruction of Ur and the Assyrian conquest of Jerusalem to the al R miyy t of the poet and warrior prince Ab Fir s al amd n the popular Arabic epics and romances that form the siyar to the

contemporary poetry of Hamas and Hezbollah Some of the poems are heroic in tone celebrating victory and the prowess of warriors and soldiers others reflect keenly on the pity and destruction of warfare on the grief and suffering that war causes The result is a work that provides a unique reflection upon the ways in which this most violent and pervasive of human activities has been reflected in different cultures The history of war begins in the Middle East the earliest reported conflict in human history was fought between the neighbouring city states of Lagash and Umma in ancient Iraq At a time when the Middle East seems to be permanently at war and wracked by violence it is salutary to look back at the ancient roots of modern attitudes and to see that in the past as in the present these attitudes are much more varied and the emotions more subtle than often realised

Jacobson,1997 *Does David Still Play Before You* explores the ways that contemporary Israeli poets have made use of images from the Bible in their poetry Through close readings of fifty poems featured in their original Hebrew and in English translation David Jacobson studies how Israeli poets respond to and incorporate the Bible in their work and reflect on the presence of the Bible in contemporary Israeli culture The book provides a stunning collection of powerful and moving voices Jacobson organizes the works according to subjects that recur with great frequency in Israeli poetry based on the Bible the Arab Israel conflict responses to the Holocaust relations between men and women and modern challenges to traditional religious faith Jacobson s literary analysis is informed by an astute awareness of the role of the Bible in Israeli culture This volume is the first comprehensive study of the use of the Bible by Israeli poets a phenomenon that is central to the development of Israeli poetry
