**Kenneth Henshall**

## **The Modern History Of Japan:**

*Japan, a Modern History* James L. McClain, 2002 Japan A Modern History provides a comprehensive narrative that integrates the political social cultural and economic history of modern Japan from the investiture of Tokugawa Ieyasu in 1603 to the present    *The Modern History of Japan* William G. Beasley, 1974    [The Modern History Of Japan](#) W. G.

Beasley, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

*A Modern History of Japan* Andrew Gordon, 2014 A Modern History of Japan takes students from the days of the shogunate to the aftermath of the 2008 tsunami This third edition incorporates increased coverage of both Japan's role within East Asia particularly with China Korea and Manchuria as well as expanded discussions of cultural and intellectual history

[The Modern History Of Japan](#) W G Beasley, 2023-07-22 Delve into the rich historical tapestry of Japan from ancient times to the present day This insightful book covers all major periods in Japanese history and provides a comprehensive overview of key events influential figures and cultural developments This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**[The Modern History of Japan](#)** William Gerald Beasley, 1967    **[The Modern History of Japan](#)** Gordon, 2013-03-26

*The Rise of Modern Japan* William G. Beasley, 2000 This book covers the history of Japan from the mid 19th century up to the present day It charts the spectacular rise of a society which leapt in little more than a generation from late feudal to early industrial forms of organisation an exceptionally disturbing experience for the Japanese as they left behind the traditional and Asian and moved towards the modern and Western It examines the violent thirties and an Empire won and lost between 1937 and 1945 and investigates the major changes after 1945 including the astonishing economic growth achieved since the 1950s

*The Political History of Modern Japan* Kitaoka Shinichi, 2018-10-10 Spanning the 130 year period between the end of the Tokugawa Era and the end of the Cold War this book introduces students to the formation collapse and rebirth of the modern Japanese state It demonstrates how faced with foreign threats Japan developed a new governing structure to deal with these challenges and in turn gradually shaped its international environment Had

Japan been a self sufficient power like the United States it is unlikely that external relations would have exercised such great control over the nation And if it were a smaller country it may have been completely pressured from the outside and could not have influenced the global stage on its own For better or worse therefore this book argues Japan was neither too large nor too small Covering the major events actors and institutions of Japan s modern history the key themes discussed include Building the Meiji state and Constitution The establishment of Parliament The First Sino Japanese and Russo Japanese Wars Party Politics and International Cooperation The Pacific War Development of LDP politics Changes in the international order and the end of the Cold War This book written by one of Japan s leading experts on Japan s political history will be an essential resource for students of Japanese modern history and politics A New History of Japanese Cinema Isolde

Standish,2005-01-01 Cinema which first arrived in Japan in 1896 with the Kinetoscope prototype came at the very time that Japan was transforming its economic base and society into that of a major international power The first cinema the Asakusa Denikan was opened in Tokyo in 1903 and within thirteen years three hundred cinemas had sprung up throughout the country In A New History of Japanese Cinema A Century of Narrative Film Isolde Standish focuses on the historical development of Japanese film She details an industry and an art form shaped by the competing and merging forces of traditional culture and of economic and technological innovation Adopting a thematic exploratory approach Standish links the concept of Japanese cinema as a system of communication with some of the central discourses of the twentieth century modernism nationalism humanism resistance and gender After an introduction outlining the earliest years of cinema in Japan Standish demonstrates cinema s symbolic position in Japanese society in the 1930s as both a metaphor and a motor of modernity Moving into the late thirties and early forties Standish analyses cinema s relationship with the state focusing in particular on the war and occupation periods The book s coverage of the post occupation period looks at romance films in particular Avant garde directors came to the fore during the 1960s and early seventies and their work is discussed in depth The book concludes with an investigation of genre and gender in mainstream films of recent years In grappling with Japanese film history and criticism most western commentators have concentrated on offering interpretations of what have come to be considered classic films A New History of Japanese Cinema takes a genuinely innovative approach to the subject and should prove an essential resource for many years to come Includes an 8 page color plate section and an 8 page black and white plate section

**A History of Japan** Kenneth Henshall,2012-04-17 Japan's impact on the modern world has been enormous It occupies just one 300th of the planet's land area yet came to wield one sixth of the world's economic power Just 150 years ago it was an obscure land of paddy fields and feudal despots Within 50 years it became a major imperial power it's so called First Miracle After defeat in the Second World War when Japan came close to annihilation within 25 years it recovered remarkably to become the world's third biggest economy it's Second Miracle It is now not only an economic superpower but also a technological and cultural superpower

True miracles have no explanation Japan's miracles do The nation's success lies in deeply ingrained historical values such as a pragmatic determination to succeed The world can learn much from Japan and its story is told in these pages Covering the full sweep of Japanese history from ancient to contemporary this book explores Japan's enormous impact on the modern world and how vital it is to examine the past and culture of the country in order to full understand its achievements and responses Now in its third edition this book is usefully updated and revised

[A Short History of Transport in Japan from Ancient Times to the Present](#) John Andrew Black,2022-03-18 A Short History of Transport in Japan from Ancient Times to the Present is a unique study the first by a Western scholar to place the long term development of Japanese infrastructure alongside an analysis of its evolving political economy Drawing from New Institutional Economics Black offers a historically informed critique of contemporary planning using the example of Japan's historical institutions their particular biases and the power they have exerted over national and local transport to identify how reformed institutional arrangements might develop more sustainable and equitable transport services With chapters addressing each major form of transport Black examines the predominant role of institutions and individuals from seventeenth century shoguns to post war planners in transforming

Japan's maritime infrastructure, its roads and waterways, and its adoption of rail and air transport. Using a multidisciplinary comparative and chronological approach, the book consults a range of technical, cultural, and political sources to tease out these interactions between society and technology. This spirited new contribution to transport studies will attract readers interested in institutional power, the history of transport, and the development of future infrastructure, as well as those with a general interest in Japan.

**The modern history of Japan** Akio Yasuoka, 1978      **History of Modern Japan** Christopher Harding, 2020-06-30 ING\_08 Review quote

**A Modern History of Japan, International Edition** Andrew Gordon, 2013-12 The bestselling textbook on Modern Japan, extensively revised to cover Japan's tumultuous recent history, including the events of 3.11.      **Modern History of Japan** Jim Barrow, 2022-03-11 Go on a wild and interesting ride into the annals of Japanese history from the Meiji Restoration period to the present. Keep reading! The 1900s was a turbulent time for Japan. During that time, the country was in a tug of war between exceptional heights of power and wealth and dizzying depths of poverty and devastation. From the Meiji Restoration's intense efforts to modernize politically, socially, economically, and culturally to the present era's fight to overcome the Fukushima disaster, Japan's rich history is one filled with upheaval's disruptions and survival. In the *Modern History of Japan: Japanese History From the Meiji Period to the Present* by author Jim Barrow, you will be taken through the Meiji Restoration's efforts to Westernize Japan as a country and how it impacted Japan as we know it today. The Taisho period's continuation of Japan's rise on the international scene and liberalism at home. The great stage of great international flux as Japan experienced national aggression and international suppression. The Sino-Japanese war as it pertains to the devastating Nanjing Massacre and how that impacted national perspectives. Every single event that was crucial in building up to the infamously explosive Pearl Harbor incident. The Post War economic boom and the Heisei period from the Austerity Plan to the Fukushima incident. And more. *Modern History of Japan* is one of the many easy-to-follow and engaging instalments in the Easy History series. Even if you think you already know everything you need to know about Japan, you can think again. Get more fun facts, insights, and trivia from *Modern History of Japan*. **The Modern History Of Japan** William Gerald Beasley, 2008 Lectures delivered under Sir William Meyer endowment lectureship 1942-43 at University of Madras in July 1942      **Modern Japan's Place in World History** Masayuki Yamauchi, Yuichi Hosoya, 2023-03-24 This Open Access book includes chapters on the key turning points in modern Japanese history from the Meiji Restoration to Japan-China diplomatic normalization in the 1970s and beyond. The topics covered include the First Sino-Japanese War, the Russo-Japanese War, the First and Second World Wars, the Manchurian Crisis, the US Occupation postwar, Japan-China relations, and postwar decolonization. Readers will learn how new research by Japanese historians has led to the revision of conventional views on the turbulent history of Japan, once the enemy of the United States in the war in the Asia Pacific and now the US's closest ally in the region. Historical research on the modern history of Japan has been constantly updated. From the Meiji Restoration to the present day, Japan has

experienced the effects of modernization and globalization Recent historical inquiries in Japan tend to focus on the merging of modern history with global history During the past 150 years Japan has never been separated from events in international affairs Scholars and general readers will appreciate the new factual details and philosophical perspectives that this volume provides drawing on the work of fourteen authors who are recognized leaders in their fields Yuichi Hosoya is Professor of International Politics at Keio University Masayuki Yamauchi is Specially Appointed Professor at the Musashino University Institute for Global Affairs and Professor Emeritus the University of Tokyo
