World Government - Utopian Dream Or Current

Reality, Vol. 1 Raymond W. Converse,2010 Arguing that a world government may be the best hope for addressing major problems facing the world that is poverty global warming global trade the lack of financial regulation and others the author approaches the reasons for a world government and the steps necessary to institute it Total disarmament must come first he says and he outlines what might be required to meet that desirable state Questions of local sovereignty versus global rights and responsibilities are explored in a nontechnical way opening the discussion to readers who are concerned about the future but who may not be experts in the areas of Political Science or Economics Obstacles and opportunities are brought to light in a manner that will allow the reader to make his own decisions about what steps ought to be taken A sample constitution is offered to allow a beginning point for discussion
