The Moro Affair And The Mystery Of Majorana:

The Moro Affair Leonardo Sciascia,2004 *The Moro Affair ; And, the Mystery of Majorana* Leonardo Sciascia,1987

The Moro Affair Leonardo Sciascia,2004-05-31 On March 16 1978 Aldo Moro a former Prime Minister of Italy was ambushed in Rome Within three minutes the gang killed his escort and bundled Moro into one of three getaway cars An hour later the terrorist group the Red Brigades announced that Moro was in their hands on March 18 they said he would be tried in a people s court of justice Seven weeks later Moro s body was discovered in the trunk of a car parked in the crowded center of Rome The Moro Affair presents a chilling picture of how a secretive government and a ruthless terrorist faction help to keep each other in business Also included in this book is *The Mystery of Majorana* Sciascia s fascinating investigation of the disappearance of a major Italian physicist during Mussolini s regime *Inquisition and Inquiry* Anne Mullen,2000 This study focuses on the narrative form which figured prominently in Sciascia s literary production in the 1970s and 1980s that is inchiesta the non fiction investigative essay based principally on Manzoni s *Storia della colonna infame* The Column of Infamy In his inchieste Sciascia investigates episodes in history from the time of the Inquisition through to his own contemporary times where intolerance and injustice outmatch human weakness and fear This study considers Sciascia s commingling of detective and investigative writing and his attempts at historiography One striking feature of his narrative technique is his reliance on literature to interpret the past **Contemporary Italian Narrative and 1970s Terrorism**

David Ward,2017-02-13 This book is about literary representations of the both left and right wing Italian terrorism of the 1970s by contemporary Italian authors In offering detailed analyses of the many contemporary novels that have terrorism in either their foreground or background it offers a take on postmodern narrative practices that is alternative to and more positive than the highly critical assessment of Italian postmodernism that has characterized some sectors of current Italian literary criticism It explores how contemporary Italian writers have developed narrative strategies that enable them to represent the fraught experience of Italian terrorism in the 1970s In its conclusions the book suggests that to meet the challenge of representation posed by terrorism fiction rather than fact is the writer s best friend and most effective tool

Italian Literature in the Nuclear Age Maria Anna Mariani,2022-09-29 *Italian Literature in the Nuclear Age A Poetics of the Bystander* explores the overlooked position of the bystander in the Nuclear Age by focusing on the Italian situation as a paradigmatic case Host to hundreds of American atomic weapons while lacking a nuclear arsenal of its own Italy s status was an ambiguous one that of an unwilling and in many ways passive accomplice Inspired by Seamus Heaney s dictum that there is no such thing as innocent by standing the book frames Italy s fraught mix of implication and powerlessness not only as a geopolitical question but as a way to rethink the role of the sidelined intellectual in the face of mass extinction Italian Literature in the Nuclear Age includes discrete chapters on the major Italian intellectuals of the time Italo Calvino Alberto Moravia Elsa Morante Pier Paolo Pasolini and Leonardo Sciascia Conscious of their own political marginalization these

authors address the atomic question through a wide range of experimental forms approaching the nearly unthinkable theme in allusive and oblique ways Often dismissed as disengaged inconsistent or merely playful these works demand instead a political reading capable of recognizing their confrontation with the paradoxes of the nuclear age **Italian Literature since 1900 in English Translation 1929-2016** Robin Healey, 2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's *Italian Literature before 1900 in English Translation* also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature *The Films of Gianni Amelio* Antonio Vitti, 2009 *The Spectator* , 1987 **The Knight and Death & Other Stories** Leonardo Sciascia, 1991 **The Knight and Death** Leonardo Sciascia, 1992 Is the murder of a businessmen an act of personal vengeance by a man almost beyond the reach of justice Or is it a political plot by the children of 89 to destabilize the country The other novellas in this book are *A Straightforward Tale* and *Open Doors* *Death of an Inquisitor & Other Stories* Leonardo Sciascia, 1990 Italian Novelists Since World War II, 1945-1965 Augustus Pallotta, 1997 Essays on novelists who conveyed through various modes of narration and contrasting viewpoints the social and political realities in which they lived identifying the war as the cause of those realities Discusses how the fall of Fascism allowed writers and film makers freedom of expression but also challenged them with the new realities of national life During this period Neorealism was first widely applied to the novel as well as cinema **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **The Listener** , 1987 *Italy* Lucio Sponza, Diego Zancani, 1995 Italy has transformed itself in the last fifty years changing from a rural society into one of the seven wealthiest nations in the world This is despite the fact that Italy has had to cope with many apparent contradictions such as the twin influences of the Roman Catholic Church and the most powerful Communist Party in the West **The Guardian Index** , 1987 **Under Arrest** Giacomo Papi, 2006 From the bleary eyed celebrity drunk apprehended behind the wheel of his car to the mass murderer's chilling stare this title presents 350 mugshots which tell an alternative history of the 20th century a mosaic of the faces and the stories of those who have ended up on the wrong side of the law **Revolutionaries and Functionaries** Richard A. Falk, 1988 Written under the auspices of the Center of International Studies Princeton University Major 20th-century Writers , 1991
