Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal

Our Global Families Todd M. Johnson, Cindy M. Wu, 2015-02-10 As Christians we belong to not only a diverse global Christian family but also a diverse human family Todd Johnson a noted expert on global Christianity and world missions trends and Cindy Wu show how divisions within these families work against our desire to bring about positive change in the world They provide an overview of global Christian identity exploring how we can be faithful to our own tradition while engaging Christians across denominations and be better informed as we work with people of other religions The book utilizes the latest research data on global Christianity and world religions and includes tables graphs charts and end of chapter discussion questions

The Fire That Consumes Edward William Fudge, 2012-10-25 While carefully examining the complete teaching of Scripture on the subject of Final Punishment Fudge defends the view that the destiny of the unsaved will be final destruction rather than eternal conscious torment in hell

as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years Around the Table Jonathan P. Case, 2019-06-21 In these days of uncivil public discourse complete with trolling hater comments CAPSLOCKING and generally acting like jerks towards each other talking graciously about anything is becoming a lost art Throw religion into the mix Well my Bible says and you ve got one huge toxic mess Is it possible for Christians to become more thoughtful and gracious conversation partners as we talk through our theological disagreements How can we keep from throwing around the term heretic every time someone disagrees with us And remember it s a big world out there If arguing with other Christians isn t difficult enough how do we think about engaging members of other religions What s the point of talking with them They don t know God anyway right Then there are all those agnostics and atheists accusing believers of ignorance and calling for the end of religion Why should we even want to talk with these people Aren t they our enemies What can we possibly learn from them In this book Jonathan Case explores from a Christian theological perspective what s at stake in these conversations and suggests how to keep people talking through their disagreements about that most volatile subject God Rethinking Hell Christopher Date, Gregory Stump, Joshua Anderson, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earle Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell Peter S Grice Igniting an Evangelical Conversation Glenn A Peoples Introduction to Evangelical Conditionalism Edward W Fudge The Final End of the Wicked Stephen H Travis The Nature of Final Destiny John R W Stott Judgment and Hell Clark H Pinnock The Destruction of the Finally Impenitent John W Wenham The Case for Conditional Immortality Basil F C Atkinson The Doom of the Lost E Earle Ellis New Testament Teaching on Hell Ralph G Bowles Does Revelation 14 11 Teach Eternal Torment Harold E Guillebaud The General Trend of Bible Teaching Anthony C Thiselton Claims about Hell and Wrath Philip E Hughes Is the Soul Immortal Henry Constable Divine Justice Christopher D Marshall Divine and Human Punishment in the New Testament Nigel G Wright A Kinder Gentler Damnation Richard G Swinburne The Future of the Totally Corrupt Kim G Papaioannou The Development of Gehenna Between the Old and New Testaments LeRoy
