Notable sayings of the Great teacher, and other biblical studies Henry Thorne (evangelist.), 1893 Religious Books and Serials in Print 1978-1979 R.R. Bowker Company. Department of Bibliography, 1978-11 *How Effective Sermons End* Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about

concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light God's Ambassadors Andrew Woolsey, 2017-06-25 The Westminster Assembly is celebrated for its doctrinal standards and debates on church polity But how often is the assembly noted for its extraordinary intervention in the pulpit ministry of the Church of England In *God's Ambassadors* Chad Van Dixhoorn recounts the Puritan quest for a reformation in preachers and preaching and how the Westminster Assembly fit into that movement He examines the assembly's reform efforts tracing debates and exploring key documents about preaching in a way that both highlights disagreements within the assembly's ranks and showcases their collective plan for the church going forward Moreover Van Dixhoorn reveals the rationale behind the assembly's writings and reforms both in terms of biblical exegesis and practical theology Unlike any other book *God's Ambassadors* draws attention to the lengths to which the Westminster Assembly would go in promoting godly preachers and improved preaching

Today? Mike Graves, 2004-01-01 Seventy five years ago renowned preacher Harry Emerson Fosdick asked in Harper's Magazine what's the matter with preaching Fosdick's question is even more relevant today as both pastors and laity acknowledge the need for improvement in Sunday morning's sermons And who better for pastors and students to learn from than those who already do it well The contributors to this book are a some of the best and most thoughtful preachers in the church and classroom today In their essays they assess the state of preaching today identify a variety of issues that challenge effective preaching and offer helpful suggestions for what can be done to improve preaching In the process they help to define what effective preaching is
