The Monsters Handsome Face Patty Cannon In Fiction And Fact:

The Monster's Handsome Face Hal Roth,1998 **Moses and the Monster and Miss Anne** Carole C.

Marks,2024-03-18 This engaging history presents the extraordinary lives of Patty Cannon Anna Ella Carroll and Harriet Tubman three dangerous women who grew up in early nineteenth century Maryland and were vigorously enmeshed in the social and political maelstrom of antebellum America The monstrous Patty Cannon was a reputed thief murderer and leader of a ruthless gang who kidnapped free blacks and sold them back into slavery whereas Miss Anna Ella Carroll a relatively genteel unmarried slaveholder foisted herself into state and national politics by exerting influence on legislators and conspiring with Governor Thomas Holliday Hicks to keep Maryland in the Union when many state legislators clamored to join the Confederacy And of course Harriet Tubman slave rescuer abolitionist and later women s suffragist was both hailed as the Moses of her people and hunted as an outlaw with a price on her head worth at least ten thousand dollars All three women lived for a time in close proximity on the Eastern Shore of Maryland an isolated region that thrived on tobacco and then lost it procured slaves and then lost them and produced strong minded women and then condemned them Though they never actually met and their backgrounds and beliefs differed drastically these women s lives converged through their active experiences of the conflict over slavery in Maryland and beyond the uncertainties of economic transformation the struggles in the legal foundation of slavery and most of all the growing dispute in gender relations in America Throughout this book Carole C Marks gleans historical fact and sociological insight from the persistent myths and exaggerations that color the women s legacies and she investigates the common roots and motivations of three remarkable figures who bucked the era s expectations for women She also considers how each woman s public identity reflected changing ideas of domesticity and the public sphere spirituality and legal rights and limitations Cannon Carroll and Tubman each in her own way passionately fought for the future of Maryland and the United States and from these unique vantage points Moses and the Monster and Miss Anne portrays the intersecting and conflicting forces of race economics and gender that threatened to rend a nation apart

Stolen Richard Bell,2020-12-01 This superbly researched and engaging The Wall Street Journal true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South and their daring attempt to escape and bring their captors to justice belongs alongside the work of Harriet Beecher Stowe Edward P Jones and Toni Morrison Jane Kamensky professor of American history at Harvard University Philadelphia 1825 five young free black boys fall into the clutches of the most fearsome gang of kidnappers and slavers in the United States Lured onto a small ship with the promise of food and pay they are instead met with blindfolds ropes and knives Over four long months their kidnappers drive them overland into the Cotton Kingdom to be sold as slaves Determined to resist the boys form a tight brotherhood as they struggle to free themselves and find their way home Their ordeal an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still shines a glaring spotlight on the Reverse Underground

Railroad a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. Rigorously researched, heartfelt and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans. Booklist *Pirates & Patriots, Tales of the Delaware Coast* Michael Morgan, 2005. Libraries, archives and museums reveal clues to the colorful characters lining the history of Delaware from its earliest colonial days to the invention of the beach resort and the founding of the nation's Summer Capital to World War II and the present. Author Michael Morgan brings together this kaleidoscopic view of the men of the sea and the beachfront tycoons who shaped Delaware and its role in the development of America in war, politics and business from the Europeans' arrival at Cape Henlopen until modern times. While the intrepid patriot Henry Fisher and the infamous serial killer Patty Cannon are not known beyond the boundaries of southern Delaware, others such as William Penn, Captain Kidd and the DuPonts enjoy more widespread reputations. Here tales of shipwrecks and rumrunners combine with the politics of slavery and suffrage to illuminate the history of one corner of the United States, a microcosm that synthesizes light on various facets of the development of the United States in a broader context. Michael Morgan pens a weekly column *Delaware Diary* in the *Delaware Coast Press* and has authored many stories for *The Baltimore Sun*, *Maryland Magazine*, *Civil War Times Illustrated*, *America's Civil War* and other periodicals for the past 15 years. He is a frequent guest speaker at historical societies in Lewes, Georgetown and other towns along the Delaware coast *American Book Publishing Record*, 1998 **The Cumulative Book Index**, 1999 Forthcoming Books Rose Arny, 1998-06 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Cue**, 1972 VideoHound's Golden Movie Retriever Jim Craddock, 2001-08 **Film Bulletin**, 1957
