**Mothman and Other Curious Encounters** Loren Coleman,2001-12-01 A new Hollywood blockbuster an amazing documentary and thousands of web pages in its honor What s the fuss In a word Mothman A famous investigator examines the reports of this huge red eyed creature with wings seen over Point Pleasant West Virginia on November 15 1966 and the spawn of Mothman seen before and after that date [The Saucerian](#) Gabriel McKee,2025-04-22 The strange but true biography of the colorful founder of Saucerian Books a central purveyor and promoter of flying saucer and conspiracist knowledge in the mid twentieth century Gray Barker 1925 1984 was an eccentric literary outsider filled with ideas that were out of step with the world An author and unreliable narrator of implausible stories Barker founded and operated Saucerian Books an independent publisher of books about flying saucers and other ideas at the fringes of popular discourse In The Saucerian Gabriel McKee tells the fascinating story of Barker s West Virginia based press the unique corpus of materials it published and how office copying and self publishing techniques influenced the spread of paranormal beliefs and conspiratorial worldviews over the last century Following the development of UFO subculture McKee explores the life and career of a larger than life hoaxter and originator of pseudoscientific ideas Ever an entertainer Barker established his reputation with one of the first flying saucer fanzines The Saucerian and with his first book the conspiratorial and sensationalistic They Knew Too Much about Flying Saucers By the close of the 1950s he had established a publishing imprint that brought out some of the strangest UFO related books of the era with a particular emphasis on flying saucer contactees Saucerian Books became a platform for those whose stories were too unusual implausible or crudely written for more mainstream publishers Though Barker himself was a skeptic he viewed the world of occult believers as a source of ongoing entertainment He also may have used the perceived eccentricity of flying saucer research or ufology to obscure his homosexuality from his small town neighbors From his place on the fringes of midcentury American culture Barker left an unmatched legacy in conspiratorial concepts that have become prominent pop cultural folklore including the Men in Black the Mothman and the Philadelphia Experiment As a mastermind behind the fantastical Barker s promotional efforts were the precursor to contemporary conspiracism [American Myths, Legends, and Tall Tales](#) Christopher R. Fee,Jeffrey B. Webb,2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends

that have formed American culture since its earliest years of settlement. Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it. Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father's cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today's urban myths. Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved. Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation. Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic.

**The Mothman Prophecies** John A. Keel, 2002-08-01 West Virginia 1966 For thirteen months the town of Point Pleasant is gripped by a real life nightmare that culminates in a strategy that makes headlines around the world. Strange occurrences and sightings including a bizarre winged apparition that becomes known as the Mothman trouble this ordinary American community. Mysterious lights are seen moving across the sky. Domestic animals are found slaughtered and mutilated. And journalist John Keel arriving to investigate the freakish events soon finds himself an integral part of an eerie and unfathomable mystery.

**Storytelling** Josepha Sherman, 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history. Characters, tales, techniques, oral traditions, motifs, and tale types transcend individual cultures. Elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture. Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions. Storytelling: An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories, oral traditions, and performance styles. It combines folklore and mythology, traditional arts, history, literature, and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression. This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions.

**Books in Print**, 1991 *Researching the Paranormal* Courtney M. Block, 2020-06-28 The paranormal has long been a hotly contested topic especially in academia. Most people are entertained by the paranormal or casually read a few books they come across on the topic perhaps assuming that these topics are nothing more than campfire fodder. Of course there's nothing wrong with being entertained by the paranormal but how many people know that there is a long history of academic, scientific and credible research into topics such as extrasensory perception, hauntings, poltergeists, cryptozoological sightings, near death experiences and more. In *Researching the Paranormal* Courtney M. Block provides an overview of paranormal research and introduces readers to an assortment of resources that seriously examine various paranormal topics. She shows readers how to think critically about paranormal sources and how to apply the components of credibility when conducting their own paranormal investigations. Highlighting the long history of serious academic inquiry into various paranormal topics.
