## **The Myopic Mermaid:**

*The Myopic Mermaid* Carter Brown, 1961      **The Mermaid's Tale** Kenneth M. Weiss, Anne V. Buchanan, 2009-02-15

While competitive natural selection is widely assumed to be evolution's prime mover Weiss shows how life generally works on the basis of cooperation He reveals that focus on competition and cooperation is largely an artifact of compression of time a distortion that dissolves when life is viewed from developmental and evolutionary time scales      **Mostly French** Alistair

Rolls, 2009 This book which was inspired by a conference on plural conjugations of Frenchness La France au pluriel held in 2007 at the Universities of Technology Sydney and Newcastle focuses on the concept of national belonging as it pertains to detective fiction with particular emphasis on French and Australian detective fictions and the encounter and crossing over between them The objective is not only to use the concepts of French and Australian detective fiction productively via the analysis of French and Australian detective fiction novels but also to challenge and undermine the very notion of national detective fictions which are so often assumed to be transparently meaningful The contributors to this volume focus variously on the following areas comparative analysis of the genesis of French and Australian detective fiction translation of Australian and other novels into French translation as a genre Frenchness as a stereotype its role in individual novels and its spectre in all detective fiction and readings of individual French and Australian detective novels Overall this book aims to challenge assumptions about French detective fiction its influence on other national fictions and its explicit and implicit presence in all detective fiction      **The Mermaid's Pendant** LeAnn Neal Reilly, 2010-04-04 Inspired by the beloved classic *The Little*

*Mermaid* *The Mermaid's Pendant* is a modern fairy tale about growing up and discovering who you are and what you believe in At times lyrical this novel is a fantastic journey filled with magic myth romance and adventure Four years after John Wilkerson claims the mermaid Tamarind for his wife they have an idyllic marriage that depends on a talisman that she crafted on their island paradise But Tamarind learns a painful truth it takes more than legs to live on land and more than magic to sustain a bond When the talisman breaks she and John are forced to rely on themselves instead of magic Three wise women play key roles in the young lovers journey to mature love Ana Tamarind's aging mentor casts spells and performs seductions to keep the lovers apart Valerie an expat jewelry maker cum fairy godmother works her own magic to bring them together Lucy their widowed neighbor grounds the couple in the realities of marriage parenting and family      **Catalog of**
