The Mysteries of Clear Light 2 Thespian Michaels, Esmi Fernau, 2016-09-19 The Mysteries of Clear Light The Emerging Identity is the second trilogy in an open ended series Consider this what if everything you have ever been told about Spirit were incorrect that in fact there is no attainment to reach for no enlightenment to strive towards What if in your pursuit of Spiritual Truths in your zest to embody some mystical ideals you have lost the very path humanity was meant to follow At the heart of timelessness lies the wellspring from which true individuality derives You are eternally in process of becoming you are forever under construction there are no established standards on which to base your earthly life Each of you is a Cosmos in miniature whose course cannot be determined by human standards The very fact of seeking is an acknowledgment of lack whereas just being as you are is a celebration of existence itself We the authors are not anything you cannot be Neither prophets nor gurus we simply relate the story we came to tell Clearly written never didactic at times irreverent and funny eternal yet new the knowledge we share reflects the timeless love of the Entities who bring you this wisdom and gently remind you the reader of your true identity We do not teach for in truth there is nothing to learn The realizations and conclusions you reach are your own we merely present you with a different viewpoint and show you alternatives Your immortal spirit will help you make your optimal choices and direct you toward the purpose for which you incarnated Your reward is not the enlightenment you have always had it is the freedom to make full use of the powers within you
