**The Minor Prophets** James E. Smith, 1994      Lectures Introductory to the Study of the Minor Prophets William Kelly, 1871      Minor Prophets, Part 2 Michael H Floyd, 2000-02-14 In this volume Floyd presents a complete form critical analysis of the last six books in the Minor Prophets Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi By looking carefully at the literary genre and internal structure of each book Floyd uncovers the literary conventions that help shape the composition of these prophetic books in their final form His approach yields fresh views of how the parts of each book fit together to make up the whole particularly with respect to Nahum Haggai and Malachi and provides a basis for reconsidering how each book is historically related to the time of the prophet for whom it is named This work will be useful to scholars because it advances the discussion regarding the holistic reading of prophetic books and useful to pastors and students because it shows how analysis of literary form can lead to a more profound understanding of the messages of the Minor Prophets      **The Targum of the Minor Prophets** ,2024-05-15 Although the term minor prophets is a familiar one in English Bible translations it is not a felicitous one since it applies as much to Hosea as to Haggai and to Amos as to Obadiah The Targum offers no such pecking order Nuggets of importance are as likely to be found in a Targumized minor prophet as a major one Included in this volume are the books of Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi The authors apparatus in the introduction provides the translational characteristics theology life setting text and versions language rabbinic citations and parallels dating manuscripts and bibliography A series of indices is also included      *Interpreting the Minor Prophets* Robert B. Feinberg, 1990-01-08 The Minor Prophets is a collection of expository essays on each of the twelve prophets Dr Feinberg s work illuminates the life times and major emphases of these men of God Dr Feinberg brings to this work an unusual combination of talents and background He has a thorough knowledge of biblical Hebrew having trained for the rabbinate That combined with his scholarship in New Testament Greek qualifies him for an expert study of the Scriptures in the original languages In this work he carefully presents his own views as well as dissenting views of other biblical scholars These studies include full treatment of the historical and cultural settings of each of the twelve prophets and their writings      **The Minor Prophets** Edward Bouverie Pusey, 1860      *The Minor Prophets: Micah, Nahum,*

**The Lost Letters to the Twelve Prophets** Dr. John Goldingay, 2022-07-19 Understand the Prophets Like Never Before with Amazing Insights from One of Today's Foremost Old Testament Scholars For many Christians reading the Old Testament trying to understand Israel's prophets is like listening to just one side of a phone conversation you only get half the idea of it You hear the answer but how do you know what question the prophet is answering In *The Lost Letters to the Twelve Prophets* John Goldingay uncovers the questions behind the prophets answers that make their meaning and relevance intelligible to us Written as a series of imaginary letters to the twelve Minor Prophets *The Lost Letters to the Twelve Prophets* asks the kinds of questions that Hosea Micah Zechariah and others were answering The letters make clear the issues these prophets of Israel were dealing with or deliver the news they were responding to in their Old Testament writings For example To Hosea Why did you marry someone you knew might be unfaithful To Joel It looks as if a locust epidemic is on the way what should we do To Amos What should we do about the war crimes of peoples around us To Obadiah The Edomites have occupied our land and pushed us out what's up with that To Jonah When is God going to fulfill his undertaking to destroy Nineveh To Micah Will God always be angry with us as a people To Nahum When is God going to fulfill his undertaking to destroy Nineveh To Habakkuk When is God going to do something about injustice in Judah To Zephaniah What do you mean by the day of the Lord To Haggai When is God going to fulfill his promises about rebuilding the temple To Zechariah Should Jeshua be High Priest when he has been in an unclean land To Malachi Why does serving God seem pointless These and other questions help readers peer behind the veil of Minor Prophets utterances and unlock their significance for today's Christians Each chapter begins with a brief paragraph of background about the prophet recounts questions or reports that have been addressed to the prophet in the form of a letter sums up message of the prophet responding to that question offers a brief comment or explanation after each passage *The Lost Letters to the Twelve Prophets* offers an imaginative fun and engaging way for students pastors and all serious Bible readers get a better grip on what is happening in these often misunderstood biblical books and get more out of their Bible reading and study     **The Minor Prophets** Henry Cowles, 2022-02-17 Reprint of the original first published in 1867     *A Commentary on the Book of the Twelve* Michael Shepherd, 2018 The books of the twelve Minor Prophets are some of the least studied by Christians today but they contain some of the great themes of Scripture such as God's mercy and judgment His covenant with Israel the day of the Lord and the coming of the Messiah Arguing for a canonical unity that recognizes the Minor Prophets as one cohesive composition Michael Shepherd explains the historical meaning of each verse of the twelve books and also provides guidance for application and preaching Pastors teachers and serious students of Scripture will find a wealth of insights for understanding the Minor Prophets from publisher     *The Message of the Twelve* Al Fuhr, Gary Yates, 2016-09-01 Although

they ministered for more than three centuries during some of Israel's most tumultuous days the Minor Prophets remain a mystery to many Christians in the 21st century Old Testament scholars Richard Alan Fuhr Jr and Gary E Yates believe that the message of the twelve Minor Prophets is relevant for the church today and they re introduce these important books of the Bible to contemporary Christians Ideal for use as a textbook as well as for personal study The Message of the Twelve surveys the historical background of each prophetic book the prophet's message and themes as well as the book's place in the biblical canon The authors also provide in depth exposition of each book from Hosea's metaphor of Israel's infidelity and Nahum's warnings of foreign judgments to Haggai's postexilic call and Malachi's vision of future restoration The Message of the Twelve goes beyond typical biblical surveys to examine the key interpretive issues in each book including important literary insights from the Hebrew text Drawing on the prophets proclamations to ancient Israel and Judah the authors emphasize that the church today must heed the call to reject apathy and return to a vibrant relationship with the living God
