The Mirror Of Faith:

The Mirror of Faith William (of Saint-Thierry, Abbot of Saint-Thierry),1959 *William of Saint Thierry* Thomas X. Davis,2000-01-01 **Is There a Meaning in This Text?** Kevin J. Vanhoozer,2009-08-30 Is there a meaning in the Bible or is meaning rather a matter of who is reading or of how one reads Does Christian doctrine have anything to contribute to debates about interpretation literary theory and post modernity These are questions of crucial importance for contemporary biblical studies and theology alike Kevin Vanhoozer contends that the postmodern crisis in hermeneutics incredulity towards meaning a deep set skepticism concerning the possibility of correct interpretation is fundamentally a crisis in theology provoked by an inadequate view of God and by the announcement of God s death Part 1 examines the ways in which deconstruction and radical reader response criticism undo the traditional concepts of author text and reading Dr Vanhoozer engages critically with the work of Derrida Rorty and Fish among others and demonstrates the detrimental influence of the postmodern suspicion of hermeneutics on biblical studies In Part 2 Dr Vanhoozer defends the concept of the author and the possibility of literary knowledge by drawing on the resources of Christian doctrine and by viewing meaning in terms of communicative action He argues that there is a meaning in the text that it can be known with relative adequacy and that readers have a responsibility to do so by cultivating interpretive virtues Successive chapters build on Trinitarian theology and speech act philosophy in order to treat the metaphysics methodology and morals of interpretation From a Christian perspective meaning and interpretation are ultimately grounded in God s own communicative action in creation in the canon and preeminently in Christ Prominent features in Part 2 include a new account of the author s intention and of the literal sense the reclaiming of the distinction between meaning and significance in terms of Word and Spirit and the image of the reader as a disciple martyr whose vocation is to witness to something other than oneself Is There a Meaning in This Text guides the student toward greater confidence in the authority clarity and relevance of Scripture and a well reasoned expectation to understand accurately the message of the Bible Is There a Meaning in This Text is a comprehensive and creative analysis of current debates over biblical hermeneutics that draws on interdisciplinary resources all coordinated by Christian theology It makes a significant contribution to biblical interpretation that will be of interest to readers in a number of fields The intention of the book is to revitalize and enlarge the concept of author oriented interpretation and to restore confidence that readers of the Bible can reach understanding The result is a major challenge to the central assumptions of postmodern biblical scholarship and a constructive alternative proposal an Augustinian hermeneutic that reinvigorates the notion of biblical authority and finds a new exegetical practice that recognizes the importance of both the reader s situation and the literal sense *God in the Mirror* Dr. J.J. Meier,2009-03-11 For many people the concept of a Divine Spirit is elusive Many question who or what God is In todays chaotic world its no wonder we have questions The issues we face from personal to global disconnect us physically and detach us from our spiritual energy J J Meier has written *God in the Mirror* to

reconnect us to the Universe to reflect a new vision of God and ultimately a new vision of you Using spiritual concepts from world religions Dr Meier examines our physical emotional mental and spiritual natures including our health our energy level and our ability to love and forgive essentially the layers of our Being Because your world reflects the state of YOU you can choose to change your individual state anytime Life can be full of wonder and delight joy and forgiveness love and bliss God in the Mirror guides you on a journey that starts in your mind travels through your heart and settles into your soul This book is rich with insights that lead to realizations that each of us is a reflection of the God Source ever connected and never separated
