**Summary: Investing Without a Silver Spoon** BusinessNews Publishing, 2013-02-15 The must read summary of Jeff Fischer's book *Investing Without a Silver Spoon* How Anyone Can Build Wealth Through Direct Investing This complete summary of the ideas from Jeff Fischer's book *Investing Without a Silver Spoon* puts forward a case for sensible investing that yields a long term return without massive capital at the start. In fact direct investment plans allow a person to build wealth slowly and steadily by investing in companies at whatever rate they can afford on a regular basis without using or paying a broker. By then reinvesting the dividends that are earned through buying more stock compound growth occurs over the longer term. This summary explains that direct investors can take positive control of their own financial futures. Prospective investors will be taken through the financial jargon what you need to begin and how to invest for the long term not short term. It acknowledges that Direct Investment isn't for everyone if you have a high interest debt for example but believes that good research combined with intelligent decision making can yield financial freedom and a worry free retirement. Added value of this summary Save time Understand the key concepts Increase your business knowledge To learn more read *Investing Without a Silver Spoon* and invest effectively.
