Let Me Take You Down Jack Jones,2011-02-23 A top crime journalist reveals precisely how the world shattering murder of John Lennon happened and why In Let Me Take You Down Jack Jones penetrates the borderline world of dangerous fantasy in which Mark David Chapman stalked and killed Lennon Mark David Chapman rose early on the morning of December 8 to make final preparations Chapman had neatly arranged and left behind a curious assortment of personal items on top of the hotel dresser In an orderly semicircle he had laid out his passport an eight track tape of the music of Todd Rundgren his little Bible open to The Gospel According to John Lennon He left a letter from a former YMCA supervisor at Fort Chaffee Arkansas where five years earlier he had worked with refugees from the Vietnam War Beside the letter were two photographs of himself surrounded by laughing Vietnamese children At the center of the arrangement of personal effects he had placed the small Wizard of Oz poster of Dorothy and the Cowardly Lion I woke up knowing somehow that when I left that room that was the last time I would see the room again Chapman recalled I truly felt it in my bones I don t know how I had never seen John Lennon up to that point I only knew that he was in the Dakota But I somehow knew that it was it this was the day So I laid out on the dresser at the hotel room just a tableau of everything that was important in my life So it would say Look this is me Probably this is the real me This is my past and I m going gone to another place I practiced what it was going to look like when police officers came into the room It was like I was going through a door and I knew I was going to go through a door the poet s door William Blake s door Jim Morrison s door I was leaving what I was going into a future of uncertainty Praise for Let Me Take You Down Jack Jones has written a beautiful book rare in its attention to the social context giving rise to stalkers and assassins of celebrities celebrity worship is ambivalent admiration shares the altar with envy When the worshipped disappoints a nobody can become a somebody by killing the pop culture idol Let Me Take You Down is both fascinating and brilliant Ladd Wheeler Professor of Psychology University of Rochester Former President of the Society for Personality and Social Psychology *[Murder Cases of the Twentieth Century](#)* David K. Frasier,2024-10-14 From Jack Henry Abbott who stabbed a waiter through the heart for not allowing him to use the toilet to the Zodiac an unknown

California serial killer who may have murdered as many as 37 people this reference work details 280 of the most famous murder cases of the twentieth century Each entry contains when applicable birth and death dates aliases occupation location of the murders weapons used number of victims and the time period when the killings occurred Films plays television shows videos and audio programs based on or inspired by the case are then cited followed by a brief overview of the murder case and a bibliography of English language works related to it **Who Killed John Lennon?** Fenton S. Bresler,1989 Based on six years of extensive research into the background and motives of assassin Mark Chapman and the circumstances of the murder Bresler contends that Chapman did not act alone but was part of a political plot [Yoko](#) David Sheff,2025-03-25 Illuminating and affectionate an intimate and perceptive portrait Publishers Weekly An intimate and revelatory biography of Yoko Ono from bestselling author of Beautiful Boy John Lennon once described Yoko Ono as the world s most famous unknown artist Everybody knows her name but no one knows what she does She has only been important to history insofar as she impacted Lennon Throughout her life Yoko has been a caricature curiosity and often a villain an inscrutable seductress manipulating con artist and caterwauling fraud The Lennon Beatles saga is one of the greatest stories ever told but Yoko s part has been missing hidden in the Beatles formidable shadow further obscured by flagrant misogyny and racism This definitive biography of Yoko Ono s life will change that In this book Yoko Ono takes centre stage Yoko s life independent of Lennon was an amazing journey Yoko spans from her birth to wealthy parents in pre war Tokyo her harrowing experience as a child during the war her arrival in avant garde art scene in London Tokyo and New York City It delves into her groundbreaking art music feminism and activism We see how she coped under the most intense relentless and cynical microscope as she was falsely vilified for the most heinous cultural crime imaginable breaking up the greatest rock and roll band in history This book was nearly a half century in the making In 1980 David Sheff met Yoko and John when Sheff conducted an in depth interview with them just months before John s murder In the aftermath of the killing he and Yoko became close as she rebuilt her life survived threats and betrayals and went on to create groundbreaking art and music while campaigning for peace and other causes Drawing from his experiences and interviews with her her family closest friends collaborators and many others Sheff shows us Yoko s nine decades one of the most unlikely and remarkable lives ever lived Yoko is a harrowing moving propulsive and vastly entertaining biography of a woman whose story has never been accurately told The book not only rehabilitates Yoko Ono s reputation but elevates it to iconic status **Copycat Crime** Jacqueline B. Helfgott,2023-07-27 Details the new phenomena of copycat crime inspired by technology and the hyperreality fueled in some people by digital culture and video games Across her 30 year career in criminology author Jacqueline Helfgott has watched with fascination and fear as the world has shifted from a place where one dimensional televised news each evening and newspapers bought each morning provided the only information on crimes and killings Now nonstop instant global news coverage on 24 hour television and the internet enables people to see and replay not only crime violence terrorism and

murder coverage provided by journalists in real time but also Facebook and YouTube feeds filmed by the criminals themselves while perpetrating the crimes In this riveting text about the consequences of our technical digital and cultural changes Helfgott focuses on how these advances are perpetuating this era's new and more massively deadly acts The book intertwines vignettes from current events perpetrator statements police reports and current research to show how copycat crimes are linked to media technology and our digital culture Concluding with recommendations to reduce the criminogenic effects of media technology and digital culture this book also includes an appendix listing technology and media influenced copycat crimes

I'll Be Watching You Richard Gallagher, 2010-09-30 What drives one person to become obsessed with another someone they may never even have met And what happens when the obsessions of unbalanced misfits desperate loners and aggrieved ex partners spiral out of control Stalking is on the increase and it isn't only celebrities who become the targets of irrational individuals Men and women with everyday jobs who lead ordinary lives can just as easily become someone else's obsession Each year hundreds of people fall victim to terrifying harassment by people they may have never met Richard Gallagher has researched this disturbing phenomenon to provide a serious investigation into this unsettling but intriguing crime Featuring interviews with victims police psychologists and those who stalk stalkers he has unearthed accounts of obsession and delusion

Nowhere Man Robert

Rosen, 2022-12-30 By all appearances John Lennon was working on a tell all memoir in the final years of his life Every day he poured into diaries his raw thoughts and feelings about his jealous rivalry with Paul McCartney his tumultuous marriage to Yoko Ono his love for his sons Julian and Sean his hatred of the music business his escape into programmed dreams his acerbic opinions of England and America Written by one of the few people to have read those diaries and based on decades of research Nowhere Man takes you on a journey through Lennon's consciousness Covering a range of topics close to John's heart from Abbey Road to the zodiac the book offers vivid insights into his extraordinary life It examines his passion for money his forceful rejection of a Beatles reunion his drug use his forays into the occult his brief acceptance of Jesus and his solitary struggle in the Dakota to create a meaningful life in the glaring spotlight of fame A portrait of an artist in turmoil striving to reconnect with his muse which culminates with the release of Double Fantasy his final album Nowhere Man is an unforgettable look at Lennon's last years and the tragic fate of a beloved cultural icon whose transcendent music changed the world
