## **The Muse Upon My Shoulder Discussions Of The Creative Process:**

*Conversations with Beth Henley* Jackson R. Bryer, Mary C. Hartig, 2023-03-24 With roots in the American South Beth Henley b 1952 has for four decades been a working playwright and screenwriter Winner of the Pulitzer Prize in 1981 at the age of twenty eight Henley so far has written twenty five produced plays that are always original usually darkly comic and often experimental In these interviews Henley speaks of the plays from her early crowd pleasers Crimes of the Heart and The Miss Firecracker Contest to her more experimental plays including The Debutante Ball and Control Freaks to her brilliant and time bending play The Jacksonian Henley is a master at writing about the duality of human experience the beautiful and the grotesque the cruel and the loving This duality provokes in Henley both amazement and compassion She discusses here not only her admiration for Chekhov and other influences but also her process of bringing a play from notebooks of images and bits of dialogues through rumination writing and rewriting to rehearsals and previews The interviews range from 1981 just before she won the Pulitzer Prize to 2020 and cover nearly forty years of a creative life which as Henley remarks in the most recent interview is such a life worth living to be in tune with the creative process

His linked novels Mrs Bridge 1959 and Mr Bridge 1969 paint a devastating portrait of the lives of a prosperous suburban family not unlike his own that more than a half century later continue to haunt readers with their minimalist elegance and muted satire As an essayist and historian Connell produced a wide range of work including a sumptuous body of travel writing a bestselling epic account of Custer at the Little Bighorn and a singular series of meditations on history and the human tragedy This first portrait and appraisal of an under recognized American writer is based on personal accounts by friends relatives writers and others who knew him extensive correspondence in library archives and insightful literary and cultural analysis of Connell s work and its context It also illuminates aspects of American publishing Hollywood male anxieties and the power of place
