Knights Templar from their valor in battle to their brutal downfall The Knights Templar have fascinated us for centuries They were holy warriors who fought with incredible bravery in the Crusades but were then destroyed by their own side In battle they were the bravest knights first on the battlefield and the last to quit Charging towards the enemy with their white cloaks emblazoned with the red cross of martyrdom Every young man in medieval Europe yearned to be a Knight Templar The reality though could be tough Battles fought against fearsome foes sometimes resulted in terrible defeat with a huge loss of life The Templars were always the target of jealousy and hatred because of their military prowess financial acumen and strict organisation Eventually their enemies got the better of them Not the Saracens they had fought in the Holy Land but kings and bishops back home The Templars were accused of bizarre initiation rituals and heretical beliefs Many were executed for the sole crime of being a Templar But their memory was not extinguished It has endured Today millions of people still want to understand the history and mystery of the Knights Templar Is it true they possessed the Holy Grail Why were they destroyed so brutally This book sets out to find the answers [Knights Templar: Lost Secrets Revealed](#) World

History,2021-02-16 Historians find the Middle Ages a period shrouded in mystery On the one hand sources speak of greedy kings and corrupt popes who flourished during a time of widespread hunger disease and servitude On the other nobler thoughts began to flourish Led by their blind faith in the word of god holy orders of knights attempted to protect the weak The most powerful was the Knights Templar loved by the people and whose code was the epitome of honour But the knights slowly succumbed to dark forces if contemporary rumours are to be believed The order made alliances with Muslim princes performed devilish rituals and were corrupted by their immense wealth And then one fateful day the knighthood's most dangerous enemy decided to strike with fatal consequences This is the story of the rise and fall of the knights their life on and off the battlefield and the hunt for their legendary treasure World History invites you on a fascinating journey to bygone eras allowing you to explore the greatest events in history Take a trip back in time to the frontlines of World War II to the Viking raids and the religious rituals of Ancient Egypt World History is for everyone who would like to know more about the exciting and dramatic events of the past [**Proceedings of the Grand Commandery of Knights Templar and the Appendant Orders of the State of Missouri**](#) Freemasons.
